**OFFICE OF THE COMMISSIONER OF INSURANCE**

The Office of the Commissioner of Insurance (OCI) announces the final payment parameters for the 2022 plan year for the Wisconsin Healthcare Stability Plan. Consistent with Wis. Stat. § 601.83 (2), the Commissioner adjusted the payment parameters with the goal to stabilize or reduce premium rates, increase participation by health insurers, improve access to health care providers and services, and mitigate the impact of high-risk individuals participating in the individual health insurance market. The Commissioner engaged an actuarial consulting firm to assist the OCI in developing its preliminary payment parameters for plan year 2022 consistent with Wis. Stat. § 601.83 (2). After considering the data received by insurers, the best estimates for 2022 enrollment, and having held a public hearing on April 26, 2021, the Commissioner is finalizing the following payment parameters for plan year 2022:

Attachment point: \$40,000  
Coinsurance rate: 43.75 percent  
Reinsurance cap: \$175,000
