History: Cr. Register, April, 1991, No. 424, eff. 5-1-91.

DWD 277.02 Application for a license. (1) In order to apply for licensure as an employment agent under ch. 105, Stats., an applicant shall fully complete a written application form furnished by the department and return it to the department of workforce development, equal rights division, at Room 403, 201 E. Washington Avenue, Madison, Wisconsin, or mail to P.O. Box 8928, Madison, Wisconsin 53708. This application shall be accompanied by a \$5,000 surety bond required by s. 105.06, Stats., and the minimum license fee of \$50.00 required by s. 105.06, Stats. The license application may not be processed until all 3 of the above documents have been received by the depart-

ment. If the license application is not approved and a license issued, the \$50.00 license fee shall be refunded to the applicant.

(2) Within 30 working days of receipt of the application, bond and minimum license fee, the department may hold a public hearing to determine if the applicant is of sufficient character to operate an employment agency and whether the quarters of the proposed agency are suitable for use by an employment agency. In scheduling the public hearing, a notice shall be mailed to each licensed employment agency and other interested parties at least 10 calendar days prior to the hearing.

(3) Within 10 working days after completion of the public hearing, the examiner shall issue proposed finding of fact and a proposed order to either grant or refuse the license application. Appeals shall be sent to the address listed on the cover letter accompanying the proposed order. In hearings where no one has testified in opposition to the granting of the license, where the examiner proposes granting the license and where it appears there is no one to object to the granting of the license, the department may forego the proposed order and issue findings of fact and a final order after the hearing.

(4) Within 5 working days after the proposed order appeal period expires, the department shall issue findings of fact and a final order except if a timely appeal has been received. In such cases, the department within 15 working days of receipt of the appeal shall either schedule the secretary or the secretary's designated representative to hear oral arguments or to receive written arguments on why the proposed order should be modified or reversed. The secretary or secretary's representative within 30 calendar days of receipt of all parties arguments shall issue findings of fact and the final order of the department.

(5) Approval of applications for a license shall expire 90 days after date of order if the agency has not commenced operation. Extensions of 30 days may be granted by the department where extenuating circumstances exist.
