Rule Information:

This is a statement of scope for a proposed emergency and permanent rules; no rule has yet been drafted.

The proposed rule would revise gray wolf harvest regulations. The department initially held a preliminary public hearing for SS 027-21 on April 23, 2021. Subsequently, the department decided to amend the statement of scope. The amended statement of scope includes the following additions; exploring establishing consistent shooting hours for wolf hunting, shortening the registration window for successful wolf harvesters and establishing zone specific tags.
