IN THE MATTER OF RULE-MAKING : AFFIRMATIVE ACTION  
PROCEEDINGS BEFORE THE : ORDER OF THE  
CONTROLLED SUBSTANCES BOARD : CONTROLLED SUBSTANCES BOARD  
-----

FINDINGS

1. On December 16, 2005 and July 30, 2012, the Department of Justice, Drug Enforcement Administration published its final rules in the Federal Register placing thirty-eight (38) anabolic steroids into schedule III of the federal Controlled Substances Act. The scheduling actions are effective January 20, 2005 and August 29, 2012.
2. The Controlled Substances Board did not receive an objection to similarly treating thirty-eight (38) anabolic steroids as schedule III under ch. 961, Stats. within 30 days of the date of publication in the federal register of the final order designating thirty-eight (38) anabolic steroids as a controlled substance.
3. The Controlled Substances Board will promulgate a final rule, without making the determinations or findings required by ss. 961.11(1), (1m), (1r) and (2) or s. 961.19 and omitting the notice of proposed rule making, designating thirty-eight (38) anabolic steroids as a schedule III controlled substance.
