18. Compare With Approaches Being Used by Neighboring States (Illinois, Iowa, Michigan and Minnesota)		

## ADMINISTRATIVE RULES Fiscal Estimate & Economic Impact Analysis

Illinois: The Illinois Department of Financial and Professional Regulation is responsible for the licensure and regulation of Dentists in Illinois, with input from the Illinois Board of Dentistry. The Illinois Board is also responsible for the promulgation of rules to implement certain sections of the Illinois Dental Practice Act. This Act contains requirements for dental practice, including continuing education. Illinois does not require specific continuing education coursework on the topic of prescribing controlled substances for the treatment of dental pain or an equivalent topic [225 Illinois Complied Statutes ch. 25; Illinois Administrative Code Title 68, Chapter 8, Subchapter b, Part 1220, Section 1220.440].

Iowa: The Iowa Dentistry Board is responsible for the licensure and regulation of Dentists in Iowa. Listed in the Iowa Administrative Code are the requirements for dental practice, including continuing education. Iowa requires each licensed dentist who has prescribed opioids during a renewal period to complete at least 1 hour of continuing education on the topic of opioids, which can count toward the 30 required hours for that renewal period. This 1 hour of continuing education content needs to include "guidelines for prescribing opioids, including recommendations on limitations of dosages and the length of prescriptions, risk factors for abuse, and nonopioid and nonpharmacological therapy options." [650 Iowa Administrative Code ch. 25].

Michigan: The Michigan Board of Dentistry is responsible for the licensure and regulation of Dentists in Michigan. Act 368 Article 15 of the Michigan Compiled Laws includes the regulations for dentistry in Michigan, among several other occupations. These regulations include requirements for continuing education. Michigan does not require specific continuing education coursework on the topic of prescribing controlled substances for the treatment of dental pain or an equivalent topic [Michigan Compiled Laws s. 333.166].

Minnesota: The Minnesota Board of Dentistry is responsible for the licensure and regulation of Dentists in Minnesota. Part 3100 of the Minnesota Administrative Code includes the regulations for dentistry in Minnesota, including the requirements for continuing education. Minnesota does not require specific continuing education coursework on the topic of prescribing controlled substances for the treatment of dental pain or an equivalent topic [Minnesota Administrative Rules part 3100.5100].
