The one-time estimated costs cannot be absorbed in the currently appropriated agency budget.</p>	
<p>15. Benefits of Implementing the Rule and Alternative(s) to Implementing the Rule 2021 Wisconsin Act 222 authorizes individuals certified as independent social workers and advanced practice social workers to treat substance use disorder without having to apply for a specialty and satisfy additional educational and supervised training requirements.</p> <p>The alternative to promulgating rules would be to not update the rules.
