There will be no adverse impact on business or local government.</p>	
<p>15. Benefits of Implementing the Rule and Alternative(s) to Implementing the Rule Updating the rules to incorporate by reference the 2023 editions of NIST Handbooks 44, 130, and 133 will keep Wisconsin law up-to-date with recognized national standards. The alternative is to continue applying the 2018 Handbooks, which will eventually lead to Wisconsin weights and measures law being out of line with other states.</p>	
<p>16. Long Range Implications of Implementing the Rule n/a</p>	
<p>17. Compare With Approaches Being Used by Federal Government</p>

**Fiscal Estimate & Economic Impact Analysis**

Not applicable. While NIST is an entity within the United States Department of Commerce, NIST does not promulgate federal regulations, but it instead develops recommended national standards for states to adopt as law. Those standards are developed during annual meetings of the National Conference on Weights and Measures, which involve state and local weights and measures officials, as well as representatives of business and consumer organizations.
