15. Benefits of Implementing the Rule and Alternative(s) to Implementing the Rule

The benefits of implementing this rule are that chiropractors will have more clarity in the requirements for nutritional counseling certification and the Statutes.

16. Long Range Implications of Implementing the Rule

The long range implications of implementing this rule are improved practice for Chiropractors in Wisconsin ensuring that the nutritional counseling certification program requirements are consistent with current and academic practice for Chiropractic.

17. Compare With Approaches Being Used by Federal Government

None.

18. Compare With Approaches Being Used by Neighboring States (Illinois, Iowa, Michigan and Minnesota)

Illinois: Illinois does not certify chiropractors in nutritional counseling. The statutory definition of chiropractic physician provides that a chiropractor is not prohibited from providing advice regarding the use of non-prescription products (225 ILCS 60/2).

Iowa: Iowa does not certify chiropractors in nutritional counseling. Iowa statutes provide that licensed chiropractors who make dietetic or nutritional assessments or give dietetic or nutritional advice in the normal practice of their profession are exempted from the requirement to be licensed to practice dietetics (Iowa Code 2017, section 152A.3).

Michigan: Michigan does not certify chiropractors in nutritional counseling. By statutory definition, the practice of chiropractic includes the use of nutritional advice (MCL 333.16401).

Minnesota: Minnesota does not certify chiropractors in nutritional counseling. Minnesota statutes provide no person may engage in dietetics or nutrition practice unless the person is licensed as a dietitian or nutritionist (Minnesota Statutes 2016, section 148.630).
