CVRB 1.03 Delegation of responsibilities. The board may delegate its responsibilities in ss. CVRB 1.05 to 1.07 to an appropriate designee.

History: Cr. Register, June, 2000, No. 534, eff. 7-1-00.

CVRB 1.04 Filing. (1) All written statements of a party's position submitted to the board, including the complaint and the answer, shall be signed by the person preparing the statement. A party shall verify that the contents of each filing submitted by that party or on that party's behalf are true and correct to the best of the party's knowledge and shall sign the filing.

(2) All complaints shall be prepared on a complaint form obtained from the mediator. The completed complaint shall be returned to the board at the address provided on the form.

Note: CVRB 1.04 (2) refers to the complaint form that must be completed in order to file a complaint with the board. That complaint form must be obtained from the department after the department has completed its action on the complaint as provided in ss. 950.08 (3) and 950.09 (2), Stats. (4) The board may consider issuing a report or recommendation as provided by s. 950.09 (3), Stats., in response to a complaint filed by an involved party without endorsement by a victim. The board may consider a complaint filed under this subsection, and may issue a report or recommendation as provided by s. 950.09 (3), Stats., without making a probable cause determination.

(5) The board may consider complaints alleging violations of victims' rights that occurred on or after December 1, 1998. The board may not consider alleged conduct that occurred more than 3 years from the date the complainant knew or should have known of a violation of the rights of a victim. The board may consider issuing reports or recommendations as provided by s. 950.09 (3), Stats., relating to conduct that occurred prior to December 1, 1998 or more than 3 years before a complaint was filed with the board or the board was otherwise notified of the conduct.

CVRB 1.05 Probable cause determination. (1) Upon receipt of the complaint, the board shall contact the mediator and request verification that the substance of the complaint has been presented to the department and that the department has completed its action as required by ss. 950.08 (3) and 950.09 (2), Stats.

(2) If the substance of the complaint has not been presented to the department, the board shall advise the complainant of the complainant's obligation to present the substance of the complaint to the department before filing a complaint with the board.

(3) If the department has not completed its action as provided in s. 950.08 (3), Stats., the board shall return the complaint form to the complainant and shall advise the complainant that the board cannot review the complaint until the department has completed its action.

(4) If the department has completed its action as provided in s. 950.08 (3), Stats., the mediator shall provide the board with information on the mediation process and its outcome. This information may take the form of a memorandum, other written documentation, or both.

(5) The board shall provide a copy of the complaint, with a cover letter, to the respondent and invite the respondent to submit an answer to the complaint. The board shall provide a copy of this letter to the complainant. If the respondent submits an answer, the board shall provide a copy of the answer to the complainant.

(6) The board shall determine probable cause at its next regularly scheduled meeting or at a meeting called by the chairperson. Upon a vote of the board, the board may deliberate and vote on the probable cause determination in closed session pursuant to s. 19.85 (1) (f), Stats.

(7) In making the probable cause determination, the board may consider all relevant information, including all of the following:

- (a) The complaint.
- (b) The answer.
- (c) The information provided by the mediator pursuant to sub. (4).

(8) The board shall notify the parties and the mediator of its probable cause determination. A finding of no probable cause is a final decision of the board. If the board finds no probable cause, the board shall provide notice to the parties of the right to seek judicial review pursuant to ch. 227, Stats.

CVRB 1.06 Investigations. (1) The board may conduct an investigation of any complaint which meets the probable cause standards under this chapter. The board may request responses to written questions, participation in a personal or telephonic interview with the board, and written documentation. The board may consider a party's refusal to cooperate with the board's investigation in making its determination on the complaint.

(2) The board may request a party to sign a statement authorizing the limited release of specified records to the board. A party who is asked to sign a release may request a protective order from the board limiting the disclosure of any such records outside the board's process.

(3) Following its investigation and prior to the hearing under s. CVRB 1.07, the board shall provide copies to the parties of any documentation obtained during its investigation.

History: Cr. Register, June, 2000, No. 534, eff. 7-1-00.

(3) One month prior to the hearing, or at another date determined by the board, the parties may provide the board with all of the following:

(b) A list of questions for the board to ask another party or witness at the hearing.

(4) The board, or its designee, or a hearing examiner proceeding under ch. 227, Stats., may preside over the hearing.

(5) The parties appearing at the hearing shall be afforded reasonable opportunity to be represented by counsel, to call witnesses, and to present evidence. Questioning of a party by another party is not favored and may be limited by the board consistent with s. 227.45 (6), Stats.

(6) The board may set reasonable time limits for testimony and may limit the number of witnesses called by a party. No party may require the mediator to testify as a witness at the hearing.

(7) Proof of a violation of the rights of a crime victim shall be made by clear and convincing evidence. "Clear and convincing evidence" means evidence which satisfies and convinces the board, because of its greater weight, that a violation occurred.

(8) A stenographic, electronic or other record shall be made of all hearings in which the testimony of witnesses is offered as evi-

dence. Testimony will not be transcribed unless a party requests a transcript and pays any costs required to prepare the transcript. The board shall prepare a transcript, at its own expense, in the event a party seeks judicial review of the board's decision.

(9) The board may vote to hold the hearing in closed session pursuant to s. 19.85 (1) (f), Stats. Parties and their counsel or another advocate, including a family member, shall be permitted to be present during the entire hearing.

(10) Witnesses subpoenaed at the request of a party or the board shall be entitled to compensation from the board for attendance and travel as provided in ch. 885, Stats.

(3) The board shall consider the proposed decision at its next regularly scheduled meeting or at a meeting called by the chairperson. The board may amend any portion of the recommended decision prior to approving the final decision. Upon a vote of the board, the board may conduct its discussion of the final decision in closed session as provided by s. 19.85 (1) (a), Stats.

(4) The board shall provide the final decision to the parties along with a notice of the right to request rehearing or seek judicial review under ch. 227, Stats.

(2) The request for rehearing shall include a detailed statement of the grounds for the request, including the material error of fact or law, or newly discovered evidence, that in the party's view warrants a rehearing. If the request is based on newly discovered evidence, the party shall state why the evidence could not have been previously discovered through reasonably diligent effort.

(3) The board may grant a rehearing on the basis of one or more of the following:

- (a) A material error of law.
- (b) A material error of fact.

(c) The discovery of new evidence sufficiently strong to reverse or modify the original decision which could not have been previously discovered through reasonably diligent efforts by the parties.
