Interest shall not accrue during periods of full-time enrollment; employment that qualifies for forgiveness; or during board-authorized periods of deferment from repayment.

(3) The initial date of repayment shall be determined by the board in each instance beginning no sooner than the day after the borrower withdraws or graduates from school.

**History:** CR 01-078: Cr. Register January 2002 No. 553, eff. 2-1-02.

(3) MTEC shall notify the board of the loan amount for the borrower. The board shall issue a check for the borrower’s loan after the borrower’s signed agreement form has been received by the board.

(4) All borrower’s contact concerning forgiveness and repayment shall be with the board. After leaving MTEC the borrower shall maintain written annual contact with the board until the loan is either forgiven or repaid. The borrower shall forward all name, address, and telephone number changes to the board.

**History:** CR 01-078: Cr. Register January 2002 No. 553, eff. 2-1-02.

**HEA 13.06 Loan forgiveness.** (1) Loans shall be forgiven when the borrower is employed as a full-time teacher in the eligible school district. For every academic year of employment, 50% of the principal and accrued interest, if any, shall be forgiven, with the amount to be prorated in cases where fewer months are worked. The borrower shall be given a maximum of 3 years to work the required 2 years for full forgiveness.

(2) The maximum of 3 years allowed for forgiveness shall be extended by the board for up to a total of 3 years for approved periods of deferment, as referenced in s. HEA 13.09. In no instance shall the term of forgiveness exceed 6 years including periods of deferments authorized by the board. The executive secretary may allow additional periods of deferment in exceptional situations.

(3) Any loan principal remaining unforgiven either because the forgiveness period as defined in subs. (1) and (2) is over, or because the borrower has not been employed for forgiveness as defined in sub. (1) or has moved out of state, shall be repaid to the state of Wisconsin with interest accrued from the date on which the forgiveness period ended.

(4) Only borrowers who have completed the teacher education program at MTEC and who are licensed to teach by the Wisconsin department of public instruction shall be eligible for forgiveness.

**HEA 13.07 Terms of repayment.** (1) The borrower shall repay the loan if not employed as a full-time teacher in the eligible school district. Repayment shall be required of borrowers who are employed for periods of time but who do not complete their forgiveness within the time allowed.

(2) The minimum monthly payment shall be \$50 including principal and accrued interest. Accrued interest shall be paid first each month from the payment received. The board shall deter-

mine the monthly repayment schedule, although the borrower may request a schedule with a higher monthly payment.

(3) The borrower shall repay the loan within a maximum of 6 years not counting periods of deferment granted by the board. Interest shall not accrue during periods of deferment authorized by the board.

(4) The borrower may prepay any or all of the loan without penalty whether the borrower is in school, forgiveness, repayment, or deferment.

ferment, as determined by the executive secretary, if the agency is federally tax exempt.

(4) Borrowers who are unemployed shall be deferred from repayment by the board for up to 6 months at a time, up to a maximum of 24 months, as long as they provide proof, satisfactory to the board, that they are actively seeking employment.

(5) Borrowers who become pregnant, give birth or legally adopt a child shall be deferred from repayment by the board for up to 12 months.

(6) In order to receive a deferment, the borrower shall apply to the board. If the borrower submits written evidence that verifies eligibility for the deferment, the board shall approve of and grant the deferment.

(7) The board may grant forbearance from repayment for the benefit of the borrower. The board may grant forbearance whenever unemployment, health, other personal problems, or study that is ineligible for deferment temporarily affects the borrower's ability to make scheduled payments on the loan. Periods of forbearance may not exceed 6 months for each approved request, up to a maximum of 24 months.
