The board shall voucher a check for the borrower’s loan after the borrower’s signed agreement form has been received by the board. The agreement form shall set forth the terms of the loan; the terms of forgiveness; the terms of repayment; and the borrower’s rights and responsibilities.

(4) All borrower contact concerning forgiveness and repayment shall be with the board. After leaving school the borrower is required to maintain contact with the board until the loan is either forgiven or repaid. The borrower is required to forward all name, address and telephone changes to the board.

History: Cr. Register, November, 1988, No. 395, eff. 12-1-88.

HEA 8.06 Loan forgiveness. (1) Loans shall be forgiven when the borrower is employed as a registered nurse in a Wisconsin hospital, nursing home, or home health agency. For every 12 months of employment, \$1,000 shall be forgiven, with the amount to be prorated in cases where fewer months are worked. The borrower shall be given a maximum of 7 years of nursing employment to work the 5 years equivalent to the maximum of \$5,000 which can be borrowed.

(2) The maximum of 7 years allowed for forgiveness shall be extended by the board for up to a total of 3 years for active duty military service; national health service; peace corps and vista; and such time periods approved by the board for pregnancy or temporary physical or emotional disability. In no instance shall the term of forgiveness exceed 10 years including periods of deferments authorized by the board.

(3) Any loan principal remaining unforgiven whether because the 7 year period is over or the borrower has not been employed or has moved out of state, shall be repaid with interest accrued from the date the borrower ceased working as a nurse in Wisconsin or ceased being a student.

(4) Only borrowers holding a 2 year associate degree, a 3 year diploma or a bachelor’s degree in nursing shall be eligible for forgiveness.

(5) No interest shall be charged the borrower during the forgiveness period.

History: Cr. Register, November, 1988, No. 395, eff. 12-1-88.

HEA 8.07 Terms of repayment. (1) Borrowers shall repay a loan if not employed as a nurse in Wisconsin. Repayment shall be required of borrowers who are employed for periods of

time but who do not complete their forgiveness within the time allowed under s. HEA 8.06 (1) and (2).

(2) The minimum monthly payment shall be \$50 including principal and accrued interest. Accrued interest shall be paid first each month from the payment received. The board shall determine the monthly repayment schedule, although a borrower may request a schedule with a higher monthly payment.

(3) A borrower shall repay the loan within a maximum of 10 years not counting periods of deferment granted by the board. Interest shall not accrue during periods of deferment authorized by the board.

(4) Borrowers may prepay any or all of their loan account without penalty whether the borrower is in school, forgiveness, repayment or deferment.

HEA 8.08 Deferment of loan repayment for borrowers. (1) Borrowers who return to school on a full-time basis in any course of study at an accredited institution shall be deferred by the board from repayment for the period of enrollment.

(2) Borrowers who enter the military on active duty shall be

deferred by the board from repayment for up to 3 years. National guard or reserve duty are not eligible for deferment.

(3) Borrowers who enter the national health service, peace corps or vista, shall be deferred by the board from repayment for up to 3 years. Employment with similar private agencies is not eligible for deferment unless the agencies are federally tax exempt.

(4) Borrowers who are unemployed may be deferred from repayment by the board for up to 6 months at a time as long as they provide proof, satisfactory to the board, of actively seeking employment.

(5) The board shall defer borrowers from repayment for up to 6 months of each pregnancy.

(6) The board may grant forbearance from repayment for the benefit of the borrower. Forbearance means an extension of time for making loan payments or the acceptance of smaller payments than were previously scheduled. The board may grant forbearance whenever unemployment, health, other personal problems, or study that is ineligible for deferment temporarily affects the borrower's ability to make scheduled payments on the loan.

(7) In order to receive a deferment, a borrower shall apply to the board. If the borrower submits written evidence that verifies eligibility for the deferment, the board shall approve the deferment.
