***Analysis by the Legislative Reference Bureau***

This bill eliminates the requirement that a court include in a judgment or order relating to paternity an order for a father to pay for a portion of pregnancy and birth expenses. Under current law, a court is required to include in a paternity order an order for the father to repay a portion of pregnancy and birth expenses, taking into account the father's income and ability to pay. The bill eliminates orders relating to pregnancy and birth expenses. The bill also expressly prohibits the state from seeking recovery of birth expenses. Under current law, if the mother of a child was enrolled in a health maintenance organization or other prepaid health care plan under the Medical Assistance program at the time of the child's birth, the state could seek to recover from the father the birth expenses incurred by the health maintenance organization or other prepaid health care plan.

2 the support, maintenance, or receiving and disbursing fee order or obligation, by the  
3 outstanding amount for past support, medical expenses, or birth expenses under the  
4 court order, or by the amount due under s. 46.10 (4), 49.345 (4), or 301.12 (4). The

14 if not and it is a support or maintenance order, whether the money withheld shall be  
15 paid to the obligor or held for future support or maintenance, except that the obligor's  
16 ability to pay is also an issue at the hearing if the obligation relates to an order under
