3 “**SECTION 4n.** 13.48 (26m) of the statutes is created to read:

4 13.48 **(26m)** LEAD SERVICE LINE REPLACEMENT. The legislature finds and  
5 determines that the prevalence of lead service lines in connections to public water  
6 systems poses a public health hazard and that processes for reducing lead entering  
7 drinking water from such pipes requires additional treatment of wastewater. It is  
8 therefore in the public interest, and it is the public policy of this state, to assist  
9 private users of public water systems in replacing lead service lines.”.

16 (d) The number of opioid-related overdoses in the state, the number of  
17 individuals who overdose on opioids, and the opioids on which the individuals  
18 overdose.

19 (e) The number of methamphetamine-related overdoses in the state, the  
20 number of individuals who overdose on methamphetamines, and the forms of  
21 methamphetamines on which the individuals overdose.

22 (f) Death records related to opioid use or overdose.

23 (g) Death records related to methamphetamine use or overdose.

24 (h) The number of opioid treatment centers in the state, by the owner or  
25 operator of each opioid treatment center.

1 (i) The number of methamphetamine treatment centers in the state, by the  
2 owner or operator of each methamphetamine treatment center.

3 (j) The number of providers in this state that are allowed to prescribe a drug  
4 that is a combination of buprenorphine and naloxone, the patient capacity for those  
5 prescribers, the number of patients taking such a combination drug, and the number  
6 of patients who have discontinued such a combination drug due to successful  
7 completion of a treatment program.

8 (k) The number of methadone clinics in the state, the number of patients taking  
9 methadone, the number of patients who more than once have been on courses of  
10 methadone, the number of patients who have discontinued methadone use due to  
11 successful completion of a treatment program, and the number of patients who are  
12 receiving methadone treatment for each of the following durations:

- 13 1. Longer than 12 months.
- 14 2. Longer than 3 years.
- 15 3. Longer than 4 years.
- 16 4. Longer than 5 years.
- 17 5. Longer than 8 years.
- 18 6. Longer than 10 years.

19 (L) The amount of naloxone doses dispensed, the total number of naloxone  
20 doses administered, and the number of unique patients who have received doses of  
21 naloxone.

22 (m) The number of adults in the state who use opioids, the extent to which those  
23 adults use opioids, and the type of opioids used.

1 (n) The number of adults in the state who use methamphetamines, the extent  
2 to which those adults use methamphetamines, and the forms of methamphetamines  
3 used.

4 (o) The number of minors in the state who use opioids, the extent to which those  
5 minors use opioids, and the type of opioids used.

6 (p) The number of minors in the state who use methamphetamines, the extent  
7 to which those minors use methamphetamines, and the forms of methamphetamines  
8 used.

9 (q) The number of minors who enter the child protective services system due  
10 to opioid use by a parent or guardian, length of time those minors are in out-of-home  
11 care, and the type of reporter who notified child protective services of the needs of  
12 the minor.

13 (r) The number of persons who are incarcerated and who are receiving  
14 naltrexone for extended-release in injectable suspension, the number of persons  
15 who are on extended supervision or probation or on parole and who are receiving  
16 extended-release naltrexone, the total number of doses of extended-release  
17 naltrexone administered to persons who are incarcerated, on extended supervision  
18 or probation, or on parole in this state, and the length of time that persons who are  
19 incarcerated, on extended supervision or probation, or on parole are receiving  
20 extended-release naltrexone.

21 (s) The number of arrests and convictions related to methadone and the  
22 number related to a drug that is a combination of buprenorphine and naloxone.

23 (t) The number of arrests and convictions related to methamphetamines.

24 **(2)** The opioid and methamphetamine data system under sub. (1) shall identify,  
25 to the extent possible, for sub. (1) (a), (b), (c), (d), (e), (f), (g), (j), (k), (m), (n), (o), (p),

1 and (r), the number of individuals who have each of the following forms of health care  
2 coverage:

3 (a) Public health care coverage under the Medical Assistance program.

4 (b) Public health care coverage under Medicare, a veteran or military health  
5 plan, or another public form of coverage other than Medical Assistance, including  
6 any self-insured governmental health plan.

7 (c) Private insurance or a private health plan.

8 (d) Self-coverage or uninsured.

9 **(3)** (a) The department of administration shall submit the proposed request for  
10 proposals described under sub. (1) to the joint committee on finance before issuing  
11 the request for proposal. If the cochairpersons of the joint committee on finance do  
12 not notify the department of administration within 14 working days after the date  
13 of the submittal of the proposed request for proposals under this paragraph that the  
14 committee has scheduled a meeting for the purpose of reviewing the proposed  
15 request for proposals, the department may issue the request for proposals. If, within  
16 14 working days after the date of the submittal of the proposed request for proposals  
17 under this paragraph, the cochairpersons of the committee notify the department of  
18 administration that the committee has scheduled a meeting for the purpose of  
19 reviewing the proposed request for proposals, the department may issue the  
20 proposed request for proposals only upon approval by the committee.

21 (b) At the time the department of administration submits the proposal under  
22 par. (a), the departments of health services, children and families, corrections,  
23 justice, and safety and professional services may submit to the joint committee on  
24 finance suggestions of opioid-related or methamphetamine-related information to  
25 collect, analyze, and disseminate in addition to information specified under sub. (1)

1 to assist the agencies in analyzing the behavioral health status of the state's  
2 population, reducing relapse of opioid and methamphetamine misuse, improving  
3 patient outcomes after opioid or methamphetamine use or overdose, assisting  
4 minors who are in out-of-home care, and monitoring health costs related to  
5 substance use.

6 (4) The department of administration shall collaborate with and collect data  
7 from the departments of health services, corrections, justice, safety and professional  
8 services, and children and families and any other applicable agencies for the opioid  
9 and methamphetamine data system under sub. (1).

10 (5) (a) The department of administration shall administer the contract with the  
11 vendor to operate the opioid and methamphetamine data system and shall have  
12 access to the data contained in the opioid and methamphetamine data system. The  
13 department of administration shall work with the vendor to disseminate information  
14 and advanced analytics from the opioid and methamphetamine data system in as  
15 close to real time as possible.

16 (b) The opioid and methamphetamine data system shall allow the state  
17 agencies that submit data to the opioid and methamphetamine data system access  
18 to the data in the opioid and methamphetamine data system as appropriate for the  
19 agency to fulfill its functions and as allowed by state and federal confidentiality laws.

20 **153.89 Reports; opioid and methamphetamine data system.** By January  
21 31, 2022, and annually thereafter, the department of administration shall submit a  
22 report to the joint committee on finance summarizing the information from the  
23 opioid and methamphetamine data system under s. 153.87 (1) and analyzing trends  
24 in that information across years of data collection.

25 **SECTION 362r.** 165.932 of the statutes is created to read:

1           **165.932 Victim services; grants. (1) DEFINITIONS.** In this section:

2           (a) “Department” means the department of justice.

3           (b) “Victim” has the meaning given in s. 950.02 (4) (a).

4           **(2) GRANTS.** (a) The department shall provide grants to eligible organizations  
5 from the appropriation under s. 20.455 (5) (ec) to provide services for victims.

6           (b) An organization is eligible to apply for and receive a grant under this section  
7 if the organization meets all of the following criteria:

8           1. The organization is a nonprofit corporation or a public agency.

9           2. The organization provides or proposes to provide, either directly or through  
10 a contract, subcontract, service agreement, or collaborative agreement with other  
11 organizations, entities, or individuals, all of the following for victims:

12           a. Advocacy and counseling services.

13           b. Crisis telephone line services on a 24 hours per day and 7 days per week  
14 basis.

15           c. Professional education about intervention for victims and community  
16 education programs for the prevention of crime.

17           d. Services for persons living in rural areas, children, elderly persons,  
18 physically disabled persons, minority groups, and other groups of victims that have  
19 special needs. This subd. 2. d. does not require the applicant to provide services to  
20 any group of persons that does not reside in the applicant’s service area.

21           3. The organization does not receive more than 70 percent of its operating  
22 budget from grants under this section.

23           4. The organization does not provide all of its services under subd. 2. a. to d.  
24 by contract, subcontract, service agreement, or collaborative agreement with other  
25 organizations, entities, or individuals.

1 (c) Whenever the department reviews applications for grants under this  
2 section, the department shall consider all of the following:

3 1. The need for victim services in the community in which the applicant  
4 provides services or proposes to provide services.

5 2. The degree to which the applicant's services or proposed services are  
6 coordinated with other resources in the community and state.

7 3. The needs of urban and rural communities.

8 4. The needs of existing and proposed programs and services.

9 **(3) REPORTING REQUIREMENTS.** An organization that receives a grant under this  
10 section shall report all of the following information to the department for each fiscal  
11 year covered by the grant:

12 (a) The total expenditures that the organization made on victim services in the  
13 period for which the grant was provided during that fiscal year.

14 (b) The number of persons served by general type of victim services provided  
15 in the period for which the grant was provided during that fiscal year. The  
16 department shall identify for organizations the general types of services provided.

17 (c) The number of persons who requested victim services in the period for which  
18 the grant was provided during that fiscal year but who did not receive the victim  
19 services that the persons requested.

20 **(4) LIST OF ELIGIBLE ORGANIZATIONS.** (a) The department shall certify to the  
21 elections commission, on a continuous basis, a list containing the name and address  
22 of each organization that is eligible to receive grants under sub. (2).

23 (b) The department shall make available to law enforcement agencies a current  
24 list containing the name and address of each organization that is eligible to receive  
25 grants under sub. (2).”

7           **“SECTION 387g.** 292.66 of the statutes is created to read:

8           **292.66 PFAS municipal grant program. (1) DEFINITIONS.** In this section:

9           (a) “Class B fire fighting foam” has the meaning given in s. 299.48 (1) (a).

10          (b) “Municipality” means a city, village, town, county, utility district, lake  
11          protection district, sewerage district, or municipal airport.

12          (c) “PFAS” means a perfluoroalkyl or polyfluoroalkyl substance.

13          **(2) FINANCIAL ASSISTANCE.** The department shall administer a program to  
14          provide grants from the appropriation under s. 20.370 (6) (ed) to municipalities that  
15          meet the requirements under sub. (3) for the purpose of conducting any of the eligible  
16          activities under sub. (4).

17          **(3) ELIGIBILITY PREREQUISITES.** A grant may be awarded under sub. (2) only if  
18          one of the following has occurred:

19          (a) The municipality tested or trained with a class B fire fighting foam that  
20          contained intentionally added PFAS in accordance with applicable state and federal  
21          law, or a 3rd party tested or trained with a class B fire fighting foam that contained  
22          intentionally added PFAS within the boundaries of the municipality.

23          (b) The municipality applied biosolids to land under a permit issued by DNR  
24          under s. 283.31.

1 (c) PFAS are impacting the municipality's drinking water supply or surface  
2 water or groundwater within the municipality and the responsible party is unknown  
3 or is unwilling or unable to take the necessary response actions.

4 (4) ELIGIBLE ACTIVITIES. The department may award a grant under sub. (2) for  
5 any of the following activities:

6 (a) Investigating potential PFAS impacts to the air, land, or water at a site or  
7 facility for the purpose of reducing or eliminating environmental contamination.

8 (b) Treating or disposing of PFAS-containing fire fighting foam containers from  
9 a municipal site or facility.

10 (c) Sampling a private water supply within 3 miles of a site or facility known  
11 to contain PFAS or to have caused a PFAS discharge.

12 (d) Providing a temporary emergency water supply, a water treatment system,  
13 or bulk water to replace water contaminated with PFAS.

14 (e) Conducting emergency, interim, or remedial actions to mitigate, treat,  
15 dispose of, or remove PFAS contamination to the air, land, or waters of the state.

16 (f) Removing or treating PFAS in a public water system using the most  
17 cost-effective method to provide safe drinking water in areas where PFAS levels  
18 exceed the maximum contaminant level for PFAS under ch. 281 or an enforcement  
19 standard for PFAS under ch. 160 or where the state has issued a health advisory for  
20 PFAS.

21 (5) APPLICATION. A municipality shall apply for a grant on a form prescribed  
22 by the department and shall include any information that the department finds  
23 necessary to determine the eligibility of the project, identify the funding requested,  
24 determine the priority of the project, and calculate the amount of a grant.

1           **(6) EVALUATION CRITERIA.** The department, in awarding grants under this  
2 section, shall consider all of the following criteria:

3           (a) The municipality's demonstrated commitment to performing and  
4 completing eligible activities, including the municipality's financial commitment  
5 and ability to successfully administer grants.

6           (b) The degree to which the project will have a positive impact on public health  
7 and the environment.

8           (c) Other criteria that the department finds necessary to prioritize the funds  
9 available for awarding grants.

10          **(7) MATCHING FUNDS.** The department may not distribute a grant under this  
11 section unless the applicant contributes matching funds equal to at least 20 percent  
12 of the amount of the grant. Matching funds may be in the form of cash, in-kind  
13 contributions, or both.”.

2           “(7h) CHILDLESS ADULTS DEMONSTRATION PROJECT. The department of health  
3 services shall submit any necessary request to the federal department of health and  
4 human services for a state plan amendment or waiver of federal Medicaid law or to  
5 modify or withdraw from any waiver of federal Medicaid law relating to the childless  
6 adults demonstration project under s. 49.45 (23), 2019 stats., to reflect the  
7 incorporation of recipients of Medical Assistance under the demonstration project  
8 into the BadgerCare Plus program under s. 49.471 and the termination of the  
9 demonstration project. Sections 20.940 and 49.45 (2t) do not apply to a submission  
10 to the federal government under this subsection.

11           (8h) GRANT FOR PSYCHIATRIC BEDS.

12           (a) The legislature finds and determines that expanding psychiatric bed  
13 capacity as described in par. (b) would greatly benefit state residents by expanding  
14 access to timely inpatient mental health treatment and services and allowing public  
15 financial resources to be better distributed to more effectively improve delivery of  
16 mental health services. It is therefore in the public interest, and it is the public policy  
17 of this state, to assist the hospital described under par. (b) in expanding psychiatric  
18 bed capacity.

19           (b) In fiscal year 2021-22, from the appropriation under s. 20.435 (5) (a), the  
20 department of health services shall award a grant in the amount of \$15,000,000 for  
21 the purpose of expanding capacity for psychiatric beds to a hospital that applies to  
22 the building commission and meets all of the following criteria:

1           1. The hospital is located in Eau Claire County, south of the Chippewa River,  
2 and northeast of the intersection of STH 37 and USH 12 and is part of a health system  
3 that has a hospital in Chippewa County.

4           2. The hospital agrees to expand psychiatric bed capacity by 22 beds between  
5 the Eau Claire County hospital and the Chippewa County hospital. The hospitals  
6 shall give preference in admissions to fill beds added under this subdivision to  
7 individuals who meet the criteria for emergency detention under s. 51.15 and who  
8 are from Ashland, Barron, Bayfield, Buffalo, Burnett, Chippewa, Clark, Douglas,  
9 Dunn, Eau Claire, Iron, Jackson, La Crosse, Lincoln, Marathon, Monroe, Oneida,  
10 Pepin, Pierce, Polk, Price, Rusk, Sawyer, St. Croix, Taylor, Trempealeau, Vilas,  
11 Washburn, or Wood Counties.

12           3. The hospital identifies measures that it believes will serve the needs of area  
13 residents with mental health needs, especially, as a critical component of the  
14 measures, in reducing the burden on the Winnebago Mental Health Institute.

15           4. The hospital agrees to annually report to the legislature, in the manner  
16 described under s. 13.172 (2), the services provided with the resources funded by the  
17 grant awarded under this subsection, including the number of individuals diverted  
18 from the Winnebago Mental Health Institute.

19           (c) The recipient of the grant under this subsection is liable to repay the grant  
20 funds to the state if it fails to continue to maintain the expanded services and number  
21 of expanded psychiatric beds available. The amount the hospital is liable for  
22 repayment is reduced proportionately each year for 10 years of continuing expanded  
23 services as described under this paragraph. A determination of continued services  
24 shall be based on findings that the hospital does all of the following:

1           1. Maintains an agreed upon number of beds for acceptance of admissions for  
2 emergency detention under s. 51.15. A hospital is considered to be in compliance  
3 with this subdivision if at least half of the expanded psychiatric beds under par. (b)  
4 2. are available for individuals who are initially admitted under an emergency  
5 detention under s. 51.15.

6           2. Enters into a contract with, at minimum, two-thirds of the counties specified  
7 in par. (b) 2. in which the hospital agrees to do all of the following:

8           a. Be the primary receiver for individuals under an emergency detention under  
9 s. 51.15 for the county.

10          b. Accept for admission under an emergency detention individuals regardless  
11 of payment source.

12          c. Accept any individual subject to an emergency detention from the county  
13 unless all psychiatric beds added under par. (b) 2. are filled. The hospital may set  
14 its payment rate based on the acuity of the individual being detained.

15          d. Ensure the county department is the secondary payer after any other  
16 coverage the individual has is exhausted.

17          (d) Notwithstanding s. 150.93, any hospital that expands psychiatric bed  
18 capacity under this subsection may increase its approved bed capacity.

19          (9h) GRANT FOR MENTAL HEALTH BEDS.

20          (a) The legislature finds and determines that expanding mental health bed  
21 capacity as described in par. (b) would greatly benefit state residents by expanding  
22 access to timely mental health treatment and services and allowing public financial  
23 resources to be better distributed to more effectively improve delivery of mental  
24 health services. It is therefore in the public interest, and it is the public policy of this

1 state, to assist the health care center described under par. (b) in expanding mental  
2 health bed capacity.

3 (b) In fiscal year 2021-22, the department of health services shall award a  
4 grant in the amount of \$5,000,000 for the purpose of expanding mental health bed  
5 capacity at an existing mental health facility in Marathon County to an organization  
6 that applies to the department and that meets all of the following criteria:

7 1. The organization provides mental and behavioral health services in the  
8 north central region of the state and has a campus in Marathon County.

9 2. The organization agrees to renovate or expand its existing mental health  
10 campus to provide additional capacity for mental health treatment.

11 3. The organization identifies measures that it believes will serve the needs of  
12 area residents with mental health needs, especially, as a critical component of the  
13 measures, in reducing the burden on state-operated facilities.

14 4. The organization agrees to annually report to the legislature, in the manner  
15 described under s. 13.172 (2), the services provided with the resources funded by the  
16 grant awarded under this subsection, including the number of individuals diverted  
17 from the state-operated facilities.

18 (c) Notwithstanding s. 150.93, any hospital that expands mental health bed  
19 capacity under this subsection may increase its approved bed capacity.

20 (d) The organization that receives the grant under this subsection is liable to  
21 repay the grant funds to the state if the organization fails to continue to maintain  
22 the expanded mental health services for a period agreed to between the organization  
23 and the department of health services.

24 (10h) RACINE COUNTY FEDERALLY QUALIFIED HEALTH CENTERS.

1 (a) In this subsection, “federally qualified health center” has the meaning given  
2 under 42 CFR 405.2401 (b).

3 (b) From the appropriation under s. 20.435 (1) (b), the department of health  
4 services shall award \$53,000,000 in grants to create federally qualified health  
5 centers in Racine County before June 30, 2023.

6 (11h) BLACK WOMEN’S HEALTH. From the appropriation under s. 20.435 (1) (b),  
7 the department of health services shall award a grant of \$500,000 in fiscal year  
8 2021-22 and a grant of \$500,000 in fiscal year 2022-23 to an entity to connect and  
9 convene efforts among state agencies, public and private sector organizations, and  
10 community organizations to support a statewide public health strategy to advance  
11 Black women’s health.”.

13 “(2h) EMERGENCY RULES FOR PFAS MUNICIPAL GRANT PROGRAM. The department  
14 of natural resources may use the procedure under s. 227.24 to promulgate emergency  
15 rules relating to the municipal grant program under s. 292.66. Notwithstanding s.  
16 227.24 (1) (a) and (3), when promulgating emergency rules under this subsection, the  
17 department is not required to provide evidence that promulgating a rule under this  
18 subsection as an emergency rule is necessary for the preservation of the public peace,  
19 health, safety, or welfare and is not required to provide a finding of emergency for a  
20 rule promulgated under this subsection. Notwithstanding s. 227.24 (1) (e) 1d. and  
21 1g., for emergency rules promulgated under this subsection, the department is not  
22 required to prepare a statement of scope of the rules or to submit the proposed rules  
23 in final draft form to the governor for approval.
