The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 13.48 (20x) of the statutes is created to read:

4 13.48 (**20x**) GRANTS FOR LOCAL CONSTRUCTION PROJECTS. (a) The building
5 commission shall establish and operate a grant program under this subsection to
6 assist nonstate organizations to carry out construction projects having a statewide
7 public purpose. The building commission is prohibited from awarding a grant for a
8 construction project under this subsection unless the commission finds that the
9 project is in the public interest and serves one or more statewide public purposes.

10 (b) From the appropriation under s. 20.867 (3) (kr), the building commission

SECTION 1

1 may award a grant to any nonstate organization for a construction project that
2 satisfies par. (a). The city, village, or town in which the construction project is or
3 will be located shall apply to the building commission for the grant on behalf of the
4 nonstate organization carrying out the construction project.

5 (c) Before the building commission's initial review of each application for a
6 grant under par. (b), the city, village, or town submitting the grant application shall
7 demonstrate to the commission's satisfaction that the nonstate organization
8 carrying out the project has secured additional funding for the project from
9 nonstate revenue sources in an amount that is equal to at least 50 percent of the
10 total cost of the project.

11 (d) If the building commission awards a grant under par. (b), and if, for any
12 reason, the space that is constructed with funds from the grant is not used for one
13 or more statewide public purposes determined by the building commission under
14 par. (a), the state shall retain an ownership interest in the constructed space equal
15 to the amount of the state's grant.

16 (e) The building commission is prohibited from awarding a grant under par.
17 (b) unless the department of administration has reviewed and approved plans for
18 the construction project associated with the grant. Notwithstanding ss. 16.85 (1)
19 and 16.855 (1m), the department of administration is prohibited from supervising

5 growing demand for vision care and research, and creating jobs in this state is a
6 statewide responsibility of statewide dimension. It is therefore in the public
7 interest, and it is the public policy of this state, to assist the Medical College of
8 Wisconsin, Inc., to construct and equip a new eye institute in the city of Wauwatosa.

9 (b) The building commission may authorize up to \$10,000,000 in general fund
10 supported borrowing to assist the Medical College of Wisconsin, Inc., with the eye

14 shall determine that the Medical College of Wisconsin, Inc., has secured additional
15 funding for the project of at least \$31,599,000 from nonstate revenue sources.

16 (c) If the building commission authorizes a grant to the Medical College of
17 Wisconsin, Inc., under par. (b), and if, for any reason, the facility that is constructed
18 with funds from the grant is not used for purposes of an eye institute, the state shall
19 retain an ownership interest in the facility equal to the amount of the state's grant.

9 (c) *Limitations.* 1. No amount of the salary or wages paid under par. (b) 1.

4 comports with s. 102.423.

5 b. If the department determines that s. 102.423 does not apply to the disputed
6 fee, the department shall evaluate the fee under subd. 1. The department may
7 request additional information described under par. (c) 1. as needed to make that
8 determination.

10 injured employee by a health service provider, but that the reasonableness of the fee
11 charged by the health service provider is in dispute, the division may include in its
12 order under par. (b) a determination made by the department under s. 102.16 (2) as
13 to ~~the reasonableness of the fee~~ or, if such a determination has not yet been made,
