**AN ACT ...; relating to:** the budget.

*Analysis by the Legislative Reference Bureau*

**VETERANS**

*Hmong and Laotian veterans*

This bill expands the definition of “veteran” to include both 1) a person who resides in this state who was naturalized pursuant to the Hmong Veterans’ Naturalization Act of 2000; and 2) a person who resides in this state who the secretary of veterans affairs has determined served honorably with a special guerrilla unit or irregular forces operating from a base in Laos in support of the armed forces of the United States at any time during the period from February 28, 1961, to September 18, 1978, and who is a citizen of the United States or a lawful permanent resident of the United States. The bill extends most veterans benefits to anyone who meets this newly expanded definition of veteran; however, admission to a state veterans home and burial in a veterans cemetery are not included benefits as they are subject to federal regulation.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
