**MEDICAL ASSISTANCE**

***Medical assistance coverage of nonsurgical treatment for TMJ disorder***

Under current law, the Medical Assistance program provides coverage for certain dental services. Under this bill, this coverage includes nonsurgical treatment of temporomandibular joint disorder, commonly known as “TMJ disorder.” The Medical Assistance program is a joint state and federal program that provides health services to individuals who have limited financial resources.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
