Financial literacy curriculum grants

This bill requires DPI to awards grants to school boards and independent charter schools for the purpose of developing, implementing, or improving financial literacy curricula. The bill further requires DPI to prioritize grants that support innovative financial literacy curricula. Current law requires school boards to adopt academic standards for financial literacy and incorporate financial literacy instruction into the curriculum in grades kindergarten to 12.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
