Project attorney reporting requirement

2017 Wisconsin Act 261 created two field prosecutor attorney project positions to assist DOJ's Division of Criminal Investigation and provided that those positions would terminate five years after the effective date of the act. The act also created a requirement that DOJ submit an annual report to the Joint Committee on Finance describing the activities and effectiveness of those field prosecutor attorneys. Those positions have expired.

This bill eliminates the reporting requirement relating to those expired field prosecutor attorney project positions.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 165.25 (11) of the statutes is repealed.
