Veterans assistance

Under current law, DVA administers the Assistance to Needy Veterans grant program, which provides subsistence aid and health care aid to veterans. Under the program, DVA may provide up to \$3,000 in subsistence aid per 12-month period to veterans who have suffered a loss of income due to illness, injury, or natural disaster. Under the program, DVA may also provide aid payments to a veteran to pay for dental care, hearing care, and vision care. The total lifetime limit that a veteran may receive in aid under the program is \$7,500.

This bill expands the program by allowing DVA to provide subsistence aid payments, in an amount of up to \$5,000 per 12-month period, to a veteran who has suffered a loss of income for any reason and allows DVA to provide health care aid payments to pay for any medical device prescribed by a licensed health care provider. The bill also raises the total lifetime limit that a veteran may receive in aid under the program to \$10,000.
