***Juveniles placed at Mendota Juvenile Treatment Center***

Under current law, DOC may transfer to the Mendota Juvenile Treatment Center (MJTC) juveniles who are under DOC's supervision or juveniles who are placed in a Type 1 juvenile correctional facility regardless of whether those juveniles are under the supervision of DOC or a county department of social services or human services. Current law requires DOC to reimburse DHS for the cost of providing services to these juveniles at MJTC at a per person daily cost specified by DHS. This bill specifies that DOC is required to reimburse DHS only for the cost of services provided to juveniles who are under DOC's supervision and are transferred to MJTC.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
