Moving the date of computer aid payments

Beginning in 2026, the bill requires DOA to make computer aid payments to taxing jurisdictions by the first Monday in May. Under current law, computers and certain computer-related equipment are exempt from local personal property taxes, and DOA makes computer aid payments to taxing jurisdictions to compensate them for the corresponding loss of property tax revenue. Current law requires DOA to make computer aid payments by the fourth Monday in July.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 79.095 (4) (c) of the statutes is amended to read:

79.095 (4) (c) The department shall certify the amount of the payment due each taxing jurisdiction to the department of administration, which shall make the payments on or before the 4th first Monday in July. ~~For purposes of ch. 121, school districts shall treat the payments made in July under this subsection as if they had been received in the previous school year May.~~

SECTION 9237. Fiscal changes; Revenue.

(1) DATE OF COMPUTER AID PAYMENTS. In fiscal year 2025-26, there is transferred from the general fund to the local government fund \$98,047,100.

SECTION 9437. Effective dates; Revenue.
