RULES in FINAL DRAFT FORM

Rule No.: 97-054

Relating to: DWD-12 Wisconsin Works

Date: September 16, 1997

PROPOSED PERMANENT RULES RELATING TO WISCONSIN WORKS

To renumber ch. HSS 215 to DWD 15; to amend DWD 15.03(1)(b)1 as renumbered; and to create Chapter DWD 12, DWD 15.03(1)(d), and DWD 56.04(1)(i), relating to the Wisconsin Works (W-2) program.

Analysis Prepared by the Department of Workforce Development

Wisconsin Works (W-2), the replacement program for the Aid to Families with Dependent Children (AFDC) program, is based squarely on work. Rather than offering welfare checks to those who do not work, as AFDC does currently, W-2 offers participants the opportunity to move into the work world and become self-sufficient through employment. The W-2 program includes work opportunities, job access loans, education and training activities to enhance employability, intensive case management, child care and child support enforcement and other employment supports such as transportation assistance and access to health care services under the Medical Assistance program.

Wisconsin Works (W-2) was authorized through enactment of 1995 Wisconsin Act 289 which Governor Thompson signed into law on April 25, 1996. Under s. 49.141(2)(b), Stats., if a federal waiver is granted or federal legislation is enacted, the Department of Workforce Development could begin to implement W-2 no sooner than July 1, 1996 and must fully implement the W-2 program statewide in September 1997. The federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (P.L. 104-193) was signed into law on August 22, 1996. It creates the Temporary Assistance for Needy Families (TANF) program which ends the entitlement program under Title IV-A of the Social Security Act and creates a block grant program under which states receive monies to provide cash and other benefits to help needy families support their children while at the same time requiring families to participate in work program activities which will help them become self-sufficient. In general, a state may not use any part of the TANF grant to provide assistance to a family for more than 60 months.

States must ensure, under section 114 of P.L. 104-193, that families who meet the AFDC eligibility requirements in effect on July 16, 1996, have access to Medical Assistance. Wisconsin has not yet obtained the necessary waivers or federal legislation that would allow the implementation of the W-2 health plan. Therefore, W-2 participants who meet the July 16, 1996, AFDC eligibility requirements or are eligible under s. 49.46 or 49.47, Stats., and the implementing administrative rules, Chs. HFS 101-108, administered by the Department of Health and Family Services, may apply and be determined eligible for Medical Assistance.

Under W-2, there will be a place for everyone who is willing to work to their ability. The program is available to parents with minor children, low assets and low income who need assistance in becoming self-sufficient through employment. The W-2 program provides cash benefits only for those individuals who participate in W-2 employment and training activities. W-2 agencies have the option, for participants in a community service job or a transitional placement, to aggregate education and training hours for approved programs to allow an individual to participate in education and training activities for more than 10 or 12 hours per week within the first few months of participation. Each eligible W-2 applicant will meet with a Financial and Employment Planner (FEP) who will help the individual develop a self-sufficiency plan and determine their place on the W-2 employment ladder. The ladder consists of four levels of employment options, in order of preference: unsubsidized employment; subsidized employment through a trial job for those participants who need minimal assistance but where unsubsidized employment is not available; a community service job for those participants who need to practice work habits and skills necessary to move into unsubsidized employment; and transitional placement for those unable to perform independent, self-sustaining work. Individuals placed in a trial job will receive wages from an employer. Individuals placed in a community service job will receive a monthly benefit of \$555 and individuals placed in a transitional placement will receive a monthly benefit of \$518. W-2 participants are limited to 24 months in a single subsidized employment position category. Extensions may be granted on a limited basis when local labor market conditions preclude opportunities or when the participant has significant barriers which prevent him or her from obtaining unsubsidized employment. Child care is available for those individuals who have children under the age of 13 and need child care in order to work or participate in a W-2 employment position. The W-2 program will be administered by contracted agencies which may include counties, tribal agencies and private agencies in geographic areas determined by the Department.

These are the proposed permanent rules for implementation of the W-2 program. The rules include eligibility requirements for those individuals applying for a W-2 employment position or child care, time-limited benefits for participants in W-2 employment positions, good cause for failure or refusal to participate in W-2 employment positions or other required employment and training activities, how sanctions are applied for failure to meet the W-2 employment position participation requirements, and school attendance requirements under the Learnfare program for the children of W-2 employment position participants.

This rulemaking order also includes incorporation of a federal requirement regarding providing the name of the noncustodial parent or alleged father and a change in DWD 15 (renumbered from HSS 215) to make clear what constitutes cooperation, related to child support and the establishment of paternity and incorporation of a reference to W-2 child care under DWD 56, related to administration of child care funds.

Similar emergency rules have been in effect since March 1, 1997.

PROPOSED ORDER

Pursuant to authority vested in the Department of Workforce Development in ss. 49.143 to 49.157, 49.26(1)(h)1.as. and 1m.c. and 103.005(1), Stats., the Department of Workforce Development hereby renumbers, amends and creates rules interpreting ss. 49.141 through 49.161 and 49.26, Stats., as follows:

Bulletins or pamphlets developed for this purpose shall be available at the W-2 agency.

(2) Individuals may examine program manuals and policy issuances which affect the public, including rules and regulations governing eligibility, participants' rights and responsibility and services offered. These documents may be examined at W-2 agency offices or the department's state or regional offices on regular work days during regular office hours.

(3) An individual or the individual's authorized representative may review the individual's entire case record to verify that the content accurately reflects statements and documentation of facts. The W-2 agency may not withhold any part of the record during preparation for a review of a W-2 agency decision under s. 49.152, Stats. When the request is not related to preparation for review of a W-2 agency decision under s. 49.152, Stats., the W-2 agency is not required to show the individual or the individual's authorized representative the entire record unless the reason for reviewing the record requires the full record.

DWD 12.08 REQUEST FOR INFORMATION. (1) A Wisconsin works agency may request from any person any information that it determines appropriate and necessary for the administration of Wisconsin works. Any person in this state shall provide this information within 7 days after receiving a request under this subsection.

The Wisconsin works agency may extend the 7-day time limit for an individual for whom compliance with that limit would be unduly burdensome, as determined by the agency. The Wisconsin works agency may disclose information obtained under this subsection only in the administration of Wisconsin works.

(2) The Wisconsin works agency shall keep all information that it receives regarding victims of domestic abuse strictly confidential, except to the extent needed to administer Wisconsin works.

DWD 12.09 ELIGIBILITY FOR WISCONSIN WORKS. (1) GENERAL ELIGIBILITY. In order to be eligible for Wisconsin works employment positions and job access loans for any month, an individual shall meet the eligibility requirements under subs. (2) and (3).

(2) **NONFINANCIAL ELIGIBILITY REQUIREMENTS.** An individual is eligible for a Wisconsin works employment position and a job access loan in a month only if all of the following nonfinancial eligibility requirements are met:

(a) The individual is a custodial parent.

(b) The individual has attained the age of 18.

(c) The individual is a U.S. citizen or a qualified alien. In this paragraph, "qualified alien" means an alien who is lawfully admitted to the United States for permanent residence, an alien who is granted asylum under 8 USC 1158, a refugee who is admitted to the United States under 8 USC 1157, an alien who is paroled into the United States under 8 USC 1182 for a period of at least 1 year, an alien whose deportation is being withheld under 8 USC 1254, or an alien who is granted conditional entry pursuant to 8 USC 1153 as in effect prior to April 1, 1980.

(d) The individual has resided in Wisconsin for at least 60 consecutive days immediately prior to applying under s. DWD 12.06 and, unless the person is a migrant worker, has demonstrated an intent to continue to reside in Wisconsin.

(e) 1. Subject to subd. 2., the individual fully cooperates in efforts directed at establishing the paternity of the dependent child and obtaining support payments or any other payments or property to which that individual and the dependent child may have rights. Such cooperation shall be in accordance with federal law and regulations and this paragraph. The parent shall cooperate with the local child support agency in identifying or locating the absent parent, in obtaining support payments or any other payments or property and in establishing paternity. If the parent refuses to cooperate, the parent is not eligible unless it is determined under s. DWD 15.03 that there is good cause for the parent to refuse cooperation.

2. An individual who fails 3 times without good cause to meet the requirements under subd. 1. remains ineligible until the individual cooperates or for a period of 6 months, whichever is later.

(f) The individual furnishes the Wisconsin works agency with any relevant information that the Wisconsin works agency determines is necessary under s.DWD 12.08 within 7 working days after receiving a request for the information from the Wisconsin works agency. The Wisconsin works agency may extend the 7 working day time limit for an individual for whom compliance with that limit would be unduly burdensome, as determined by the agency.

(g) The individual has made a good faith effort, as determined by the Wisconsin works agency on a case-by-case basis, to obtain unsubsidized employment and has not refused any bona fide offer of employment within the 180 days immediately preceding application for a W-2 employment position.

(h) If the individual has applied for Wisconsin works within the 180 days immediately preceding the current application, the individual has cooperated with the efforts of a Wisconsin works agency to assist the individual in obtaining unsubsidized employment.

(i) The individual is not receiving supplemental security income under 42 USC 1381 to 1383c or state supplemental payments under s. 49.77, Stats.

(j) The individual is not receiving social security disability insurance under 42 USC 401 to 433.

(k) On the last day of the month, the individual is not participating in a strike.

(l) The individual applies for or provides a social security account number.

(m) The individual reports any change in circumstances that may affect his or her eligibility to the Wisconsin works agency within 10 days after the change.

(n) Beginning on the date on which the individual has attained the age of 18, the total number of months in which the individual has actively participated in the job opportunities and basic skills program under s. 49.193, Stats., or has participated in a Wisconsin works employment position or both does not exceed 60 months. The months need not be consecutive. For purposes of determining the number of monthly benefit payments permitted under s. 49.145(2)(n), Stats., and this section, a JOBS program participant or W-2 participant shall be considered to have received a monthly benefit in a month in which, as a result of a sanction under s.DWD 11.19(2) or (2m) or 12.18(2)(b) or (c) or 12.21, a reduced monthly AFDC or W-2 benefit or no monthly AFDC or W-2 benefit is paid. Participation in the job opportunities and basic skills

program under s. 49.193, Stats., begins to count toward the 60-month limit beginning on October 1, 1996. A Wisconsin works agency may extend the time limit only if the Wisconsin works agency determines that unusual circumstances exist that warrant an extension of the participation period. The department may review, approve or overturn a W-2 agency's decision related to an extension of the 60-month limit. In this paragraph, "unusual circumstances" means any of the following:

1. A W-2 participant is unable to work because of personal disability or incapacitation, or is needed as determined by the agency to remain at home to care for a member of the W-2 group whose incapacity is so severe that without in-home care provided by the W-2 participant, the incapacitated W-2 group member's health and well-being would be significantly affected.

2. A W-2 participant has significant limitations to employment such as any of the following:

a. Low achievement ability, learning disability or emotional problems of such severity that they prevent the individual from obtaining or retaining unsubsidized employment, but are not sufficient to meet the criteria for eligibility for supplemental security income under 42 USC 1381 to 1383c or social security disability insurance under 42 USC 401 to 433.

b. Family problems of such severity that they prevent the W-2 participant from obtaining or retaining unsubsidized employment.

3. The W-2 participant has made all appropriate efforts to find work and is unable to find employment because local labor market conditions preclude a reasonable job opportunity. In this subdivision, "reasonable job opportunity" means a job that pays minimum wage, and conforms to all applicable federal and state laws.

(o) No other individual in the W-2 group is a participant in a W-2 employment position. This paragraph does not apply to an individual applying for a job access loan.

(p) The individual cooperates in providing information needed to verify enrollment information or good cause for the Learnfare program under s. 49.26, Stats., and s. DWD 12.25.

(q) The individual cooperates in the requirement to search for unsubsidized employment throughout his or her participation in a W-2 employment position.

(r) The individual cooperates in applying for other public assistance programs or resources that the FEP believes may be available to the individual.

(s) The individual cooperates with providing eligibility information under this chapter for other members of the W-2 group.

(3) **FINANCIAL ELIGIBILITY REQUIREMENTS.** An individual is eligible for a W-2 employment position and a job access loan only if all of the following financial eligibility requirements are met:

(a) Resource limitations. The individual is a member of a W-2 group whose assets do not exceed \$2,500 in combined equity value. In determining the combined equity value of assets, the W-2 agency shall exclude the equity value of vehicles up to a total equity value of \$10,000, and one home that serves as the homestead for the W-2 group. When an individual is a sponsored alien pursuant to 8 USC 1183a, the sponsor's resources shall be attributed to the sponsored alien as provided under 8 USC 1631. In this paragraph, "equity value of vehicles" means the wholesale value as given in a standard guide on motor vehicle values or the value as estimated by a sales representative at a local car dealership minus any encumbrances which are legally debts.

(b) Income limitations. 1. The individual is a member of a W-2 group whose gross income is at or below 115% of the poverty line. In this subdivision, "gross income" does not include any payments or benefits made under any federal law that specifically exempts such payments or benefits from being considered in determining eligibility for any federal means-tested program.

2. Except as provided in subd. 1, in calculating gross income, the W-2 agency shall include all of the following:

a.
