DFI-Bkg 73.01 Fees of licensees. The fees permitted in this section are the only fees that may be assessed the debtor and include all charges of any kind or nature whatsoever. The fees shall be agreed upon in advance and stated in the contract or agreement established between the licensee and debtor. The fees for distributing funds may not be assessed the debtor until the debtor has made payment to the licensee for distribution to a creditor or creditors.

(1) Both of the 2 alternative fee plans set forth below may be used when contracting services with a debtor:

(a) The maximum monthly fee charged the debtor shall not exceed 10% of the amount of money paid to the licensee to be distributed to a creditor or creditors or \$120 in any one calendar month, whichever is less.

(b) A licensee may accept voluntary fees or contributions from the creditor or creditors in an amount not to exceed 15% of the funds disbursed to the individual creditor or creditors. The disbursements may not show discrimination based upon the creditors’ willingness to make voluntary contributions to the licensee. If the fee is deducted from the disbursement, remittance records shall disclose the total amount credited to the individual accounts of the debtor. This amount must also be reflected in the disbursement record furnished the creditor or creditors.

(2) A single, one time, budget set up charge not to exceed

\$50, or \$25 if the debtor continues with a debt adjustment plan administered by the licensee may be assessed.

Before any other business is conducted in the same office with the licensee, prior approval must be granted by the division of banking. The office shall not be located in a private residence unless the adjustment service office is used solely for business purposes, has an outside entrance and can be isolated from the remainder of the residence. If other approved business is conducted in the same office, the accounting records of such other business shall be kept separate from the account records of the adjustment service company.

received from debtors with the licensee's own property or funds, but shall maintain a separate account in an approved bank in which all payments received from debtors for the benefit of creditors shall promptly be deposited after receipt thereof and in which all payments shall remain until disbursements are made in his or her behalf or returned to him or her. Said trust account shall be used only for this purpose.

(4) **REMITTANCES.** Remittances shall be made to the creditors within 15 days after receipt of funds from debtor unless debtor requests in writing that funds be held in escrow for specific purposes for a period of not to exceed 180 days.

(5) **RECEIPT REQUIREMENTS.** Whenever a payment is received from a debtor or other person, a receipt showing the date said payment was received shall be prepared and a duplicate copy shall be available at all times in the office of the licensee. All receipts must be prepared at least in duplicate, be prenumbered by the printer and filed in consecutive numerical order and shall show the name and account number of the debtor, the name and address of the licensee, the date and amount paid, and the name or initials of the person accepting the payment.

(6) **REPORT TO DEBTOR.** Every licensee shall on written request from the debtor but not more than once every 4 months furnish said debtor with a report showing the amount paid to each creditor, the balance due on each account as shown on the office record, the amount of fees paid to the licensee, the total amount paid to the licensee by the debtor including fees, advances if any to the debtor and money held in escrow.

DFI-Bkg 73.06 Nationwide Multistate Licensing System and Registry. (1) **PARTICIPATION.** (a) The division shall utilize the NMLS with respect to applicants and licensees.

The division may establish relationships or contracts with the NMLS or other entities designated by the NMLS to collect and maintain records and process transaction fees or other fees. With respect to any form, fee, or other information required to be submitted to the division by an applicant or licensee, the division may require the applicant or licensee to submit such form, fee, or other information directly to the NMLS.

(b) Each applicant and licensee shall register with, and maintain a valid unique identifier issued by, the NMLS.

(c) The division may require an applicant or licensee to provide to the NMLS any information that the division determines to be relevant to the application or to any responsibility administered or conducted through the NMLS that is related to the licensed activity.

The division may require fingerprints for the purposes of identifying the individual and to determine whether the individual has a record of warrants, arrests, or convictions in any jurisdiction. Fingerprints may be submitted, directly or as provided in sub. (e) The division may rely on the NMLS to establish any dates relating to application or reporting deadlines for applicants and licensees, to establish requirements for amending or surrendering licenses, or to establish any other requirements applicable to applicants and licensees to the extent the requirements are a condition of the state's participation in the NMLS.

(f) Applicants and licensees are responsible for any service, access, or other fees charged by the NMLS for use of the system. (3) CONFIDENTIAL INFORMATION. (a) If any information or material is considered confidential or privileged under federal or state law before it is provided or disclosed to the NMLS, it shall continue to be confidential or privileged after it is provided or disclosed to, and while maintained by, the NMLS, except to the extent federal or state law expressly provides otherwise and except as provided in par. (c). Confidential or privileged information or material under this paragraph is not subject to any of the following:

1. Disclosure under any federal or state law governing the disclosure to the public of information held by an officer or an agency of federal or state government.

2. Subpoena or discovery, or admission into evidence, in any private civil action or administrative proceeding, unless the person to whom the information or material pertains waives any

right or protection of confidentiality or privilege in the information or material.

(b) Confidential or privileged information or material under par. (a) may be shared with any state or federal regulatory agency having supervisory authority over activities governed by s. 218.02, Stats., without losing any right or protection of confidentiality or privilege under federal or state law.
