(a) The termination, closing or failure to renew during any 3-month period of 1) the greater of 1% or 5 of all franchises of a franchisor regardless of location or 2) the lesser of 15% or 2 of the franchises of a franchisor located in the state of Wisconsin.

(a) Whether the representations made by the offeror or seller in connection with the offer to sell or sale of a franchise suggest or any agreement executed in connection with the offer to sell or sale of a franchise requires that the distributor or licensee operate a business which can purchase a substantial portion of its goods solely from sources designated or approved by the licensor.

(b) Whether the representations made by the offeror or seller in connection with the offer to sell or sale of a franchise suggest or any agreement executed in connection with the offer to sell or sale of a franchise requires that such distributor or licensee follow an operating plan, standard procedure, or training manual or its substantial equivalent promulgated by the licensor in the operation of the licensed business, violations of which may, under the terms of the agreement, permit the licensor to terminate the agreement.

(c) Whether the representations made by the offeror or seller in connection with the offer to sell or sale of a franchise suggest or any agreement executed in connection with the offer to sell or sale of a franchise requires that the distributor or licensee be limited as to the type, quantity and/or quality of any product or service the distributor or licensee may sell or limits the distributor or licensee as to the persons or accounts to which the person may sell the licensor’s product or service.

(d) Whether the provisions of the agreement permitting the licensor to terminate the agreement, to buy back the distributor or license rights assigned by the agreement, or to refuse to renew the grant of such distributor or license rights are such as to operate or be exercisable substantially at the will of the licensor, or

(e) Whether the representations made by the offeror or seller in connection with the offer to sell or sale of a franchise suggest or any agreement executed in connection with the offer to sell or sale of a franchise requires that the licensor aid or assist the distributor or licensee in training, obtaining locations or facilities for operation of the franchisee’s business or in marketing the franchisor’s product or service.

(5) “Published in this state” within the meaning of s. 553.59 (4), Stats., may be determined by the division to include, but not be limited to, advertising circulated for particular regional use

within this state by residents of this state although printed outside of this state and mailed to residents of this state located at a Wisconsin address.

(6) The division shall, in any determination he or she shall make as to whether a marketing plan or system of a franchisee is “substantially associated with the franchisor’s business and trademark, service mark, trade name, logotype, advertising or other commercial symbol” within the meaning of s. 553.03 (4) (a) 2., Stats., include, but not be limited to, consideration of the following factors:

(a) Whether the identification of the licensor’s business or utilization of a trademark, service mark, trade name, logotype, advertising or other commercial symbol is utilized either by the licensor or the licensee to enhance the chances of licensee’s success in respect to licensee’s transactions with persons dealing in or purchasing licensor’s product or service.

(b) Whether the agreement provides for the distributor or licensee to contribute a portion of operating revenue to the licensor for advertising expense or representations made by the licensor or agents or employees suggest payment by the licensee for advertising conducted, managed or prescribed by the licensor.

(7) The division shall, in determining whether a marketing plan or system of a manufacturer, licensor or a franchisor is a “bona fide wholesale transaction” or a series thereof within the meaning of s. 553.03 (5m), Stats., consider the following factors, among others:

(a) Whether, in connection with an agreement to process, resell or otherwise distribute a manufacturer’s or licensor’s product

or service, consideration in purchase transactions thereunder is solely for the payment of goods, services, equipment, inventory or real estate and such consideration does not reflect, in part or in whole, payment for the right to continue such purchase transactions or business whether on the same or different terms than those stated in the subject agreement.

(b) Whether, in connection with an agreement to process, resell or otherwise distribute a manufacturer’s or licensor’s product or service, a purchase of goods, services, equipment, inventory or real estate is required in connection with the subject agreement.

(c) Whether, in connection with an agreement to process, resell or otherwise distribute a manufacturer’s or licensor’s product or service, the cost of goods, services, equipment, inventory or real estate thereunder to the seller thereof is reasonably related to the price of the same to the distributor or licensee, taking into account the respective circumstances in the market of both the seller and buyer thereof.

(8) “Timely” within the meaning of s. 553.41 (4), Stats., means at least 14 calendar days prior to the execution of an agreement or the taking of consideration constituting the sale of the franchise.
