cdd An outline of the proposed program objectives, activities, and related timelines. The program[s] objectives shall be measurable.

ced A description of how the proposed program will be evaluated. The description shall contain outcome evaluations.

cfb A description of how the program activities will continue after the grant period is completed.

cgd A description of how the strategies and activities contained in the proposal contribute to the prevention or amelioration of alcohol, tobacco, and other drug abuse.

chd A description of the collaborative development of the proposal, including the individuals that participated in the process.

cid A description of the resources and funds necessary to implement the project and how the matching fund contribution of 20% will be met. Private and in-kind contributions may be applied to meet this requirement.

cjd An assurance that the grant applicant will not use the funds to supplant any funds which are otherwise available for the proposed project.

ckd Evidence that the grant applicant submitted a copy of the proposed project to the county department of community programs for advisory review.

c4d REVIEW OF APPLICATIONS AND AWARDING OF GRANTS.
cad The state superintendent, annually, shall establish funding limits for programs under this section based on the amount appropriated for the program under s. 20.255 c2d ckdd, Stats., using the criteria specified under par. ccd 2. The state superintendent shall inform school districts of the funding limits by letter which will accompany application materials.

cbd The council shall review the applications submitted under this section and make recommendations to the state superintendent regarding the funding of school district applications. These recommendations shall be based on the criteria specified in par. ccd.

ccd 1. The state superintendent shall review the applications submitted under this section and consider the recommendations made by the council under par. cbd to determine which of the applications eligible for funding will receive grants. The state superintendent shall make this determination based on the following primary criteria:

- a. The extent to which the goals, objectives and activities relate to the purpose of the proposed program.
- b. The extent to which the proposed program activities will assist the district in meeting the requirements of this section.
- c. The local capacity to sustain program activities.
- d. The extent to which programs are innovative or exemplary and may serve as a model for other school districts.

2. Secondary criteria in awarding grants shall, to the extent possible, include the following:

- a. The grants shall be distributed equally throughout the state.
- b. The grants shall be awarded to school districts of varying sizes, as determined by membership.

PI 38.23 Eligible applicants, application and program requirements. c1d cad Annually by the fourth Monday in March, school boards of eligible school districts may apply to the department for a 4K grant under this subchapter for the following school year. A school district is eligible to apply if it meets all of the following requirements:

1. The school district did not count pupils in a 4K program for equalization aid and revenue limit purposes on the PI-1563 pupil count report collected pursuant to s. 121.05 c1d, Stats., in the school year prior to the first year of the grant.

2. The school district has an existing contract or agreement with a community based provider if using a community approach or community based provider.

3. The school district completes the department[s] application in a timely and complete manner.

cbd In awarding a grant, the department shall give priority to school districts that use community approaches to early education which establish and maintain both of the following:

1. A collaborative committee, council, or advisory group. The collaborative committee, council or advisory group must be involved in the initial planning, public awareness, delivery models, staff development, program design, site selection, staffing patterns, policy development, program standards and curriculum, as well as the on-going implementation and administration of the program. The collaborative committee, council or advisory group shall include representatives from community based providers; the school district, which shall include an administrator, school board member, or principal and a school district employed teacher of early childhood education or kindergarten; and a representative of other relevant community interest groups.

2. A contract or agreement that defines the partnerships between the school district and all community based providers. The school district must have at least one site of the school district[s] 4K program at a non-school district site, not including a private home, or on a school district site administered by a community based provider. These sites shall be within the school district[s] boundaries or may be offered through an interdistrict agreement under s. 66.0301, Stats. The contract or agreement shall define all of the following roles and responsibilities related to the 4K program operation:

a. The school district[s] process to oversee and supervise the program to assure compliance with state and federal education laws.

b. The community based provider[s] process to assure compliance with applicable state and federal laws regulating its program.

c. The program components and design, including hours, length of program, staffing design, staff development, curriculum, class size, and parent outreach activities.

d. The resources provided by each entity necessary for the delivery of the program.

e. The financial arrangements which assure the school district covers the cost of program instruction.

f. The recruitment and enrollment practices that assure the school district program is open to all age eligible children and that the community based provider assures that enrollment is not contingent upon enrollment in any program offered by the com-

munity based provider, unless this conflicts with the provider[s] federal regulations.

c2d A school district operating a 4K program funded under sub. **c1d** shall do all of the following:

cad Make the program open and accessible to all age eligible children of the school district at no charge.

cbd Pay the full cost of the 4K program, including the costs associated with programs located on a non-school district site. Such costs include staff compensation, special education, and support services for pupils, facilities, supplies, and staff development.

ccd Comply with all applicable state statutes, including the school district standards under s. **121.02 c1d**, Stats., and transportation requirements under s. **121.54 c1d** and **c2d**, Stats.

PI 38.24 Review of applications and awarding of grants. c1d FIRST YEAR GRANT AWARDS. **cad** The department shall give preference in awarding grants under this subchapter to eligible school districts under s. **PI 38.23 c1d cad** that demonstrate in the application that the 4K program is using a community approach to early education. An eligible applicant that uses a community approach to early education shall receive up to \$3,000 per pupil enrolled in the school district[s] 4K program as determined on the third Friday in September pupil count under s. **121.05 c1d**, Stats., in the school year following the grant application. If the funds under s. **20.255 c2d cdpd**, Stats., are insufficient to pay \$3,000 per pupil, the funds shall be prorated.

cbd If, after awarding grants under par. **cad**, there are funds remaining, all other eligible applicants who are in their first year of 4K program implementation and not using community approaches shall receive up to \$3,000 per pupil enrolled in the school district[s] 4K program as determined on the third Friday in September pupil count under s. **121.05 c1d**, Stats., in the school year following the grant application. If the funds under s. **20.255 c2d cdpd**, Stats., are insufficient to pay \$3,000 per pupil, the funds shall be prorated.

c2d SECOND YEAR GRANT AWARDS. **cad** Grant recipients under sub. **c1d** may receive a second year grant if the recipient submits to the department by November 7 of the school year following the receipt of the first year grant, an assurance on a form provided by the department, affirming that the program was and continues to meet the requirements under this subchapter.

cbd Second year grant applicants that meet the requirements under this subsection, may receive up to \$1,500 per pupil enrolled in the school district[s] 4K program as determined on the third Friday in September pupil count under s. **121.05 c1d**, Stats., in the second school year following the grant application.

ccd If the funds under s. **20.255 c2d cdpd**, Stats., are insufficient to pay \$1,500 per pupil, the funds shall be prorated.

cdd The department shall give preference in awarding second year grants to first year grant recipients as described under sub. **c1d**.
