(a) Meets the eligibility requirements set forth in s. 145.245, Stats., and this chapter.

Note: Section 145.245 (5) (c) 1., Stats., specifies that to be eligible for grant awards under this section, the annual family income of the person who owns the principal residence may not exceed \$45,000. Section 145.245 (5) (d) 1., Stats., specifies that to be eligible for grant awards under this section, the annual gross revenue of the business that owns the small commercial establishment may not exceed \$362,500.

(b) Submits an application to the participating governmental unit in which the failing POWTS is located.

(c) Has completed all rehabilitation or replacement work in accordance with the enforcement order and the state plumbing code, chs. SPS 382 to 384. Any variances or petitions to modify specific state plumbing code requirements shall be approved in writing by the department prior to the installation of the system.

(d) Owned the principal residence or small commercial establishment which is served by the category 1 or 2 failing POWTS. A person does not meet this condition if he or she did not own the property at the time the POWTS was failing and subject to a determination of failure. The buyer of the property is not eligible if the failing POWTS was replaced prior to the date of sale. The seller of the property is not eligible if the determination of failure was made after the date of sale.

(2) PRIVATE NONPROFIT ENTITIES. For the purposes of this chapter a small commercial establishment may be owned by a private nonprofit corporation as defined in s. 181.0103 (17), Stats.

(3) INELIGIBLE ENTITIES. Structures owned by any of the following entities are not eligible for financial assistance awards:

Any increase in capacity required to serve a larger replacement structure shall not be eligible.

Note: An example where par. (a) applies would be a POWTS that once served a 3-bedroom structure and the replacement structure is 4 or more bedrooms; the financial assistance would be based on the maximum allowable amount for a POWTS sized for 3-bedrooms.

(b) For a principal residence or small commercial establishment that meets all of the requirements of s. 145.245, Stats., the

maximum allowable financial assistance amount shall be limited to the minimum POWTS capacity that would have been necessary to serve the existing structure. Any increase in capacity required to serve the existing structure may be eligible.

(1) if the department receives a certification under s. 49.855 (3), Stats., that the owner or an individual who would directly benefit by the financial assistance is delinquent in child support or maintenance payments or owes past support, medical expenses or birth expenses.

(3) The department or a governmental unit shall deny an application if a financial assistance amount under this chapter has been previously awarded for rehabilitation or replacement work at the same site, except for financial assistance awarded on an annual basis for monitoring of approved experimental POWTS, as specified in s. SPS 387.31.
