**2023 Wisconsin Act 180**  
[2023 Senate Bill 476]

**Telehealth by Out-of-State  
Providers Under the Medical  
Assistance Program**

### 2023 WISCONSIN ACT 180

2023 Wisconsin Act 180 prohibits the Department of Health Services (DHS) from requiring a health care provider that is licensed, certified, registered, or otherwise authorized to provide health care services in this state and that exclusively offers health care services in this state through telehealth to maintain a physical address or site in this state to be eligible for enrollment as a certified provider under the Medical Assistance program.

The act similarly prohibits DHS from requiring a provider group with health care providers that are licensed, certified, registered, or otherwise authorized to provide health care services in this state and that exclusively offer health care services in this state through telehealth to maintain a physical address or site in this state to be eligible for enrollment as a provider group under the Medical Assistance program.

**Effective date:** March 24, 2024
