2023 Wisconsin Act 188 [2023 Senate Bill 964]

Authorizing Physical Therapists to Make Certifications for Acquiring Disabled Parking Plates and Cards

Wisconsin law allows a person with a disability that impairs or limits the ability to walk to obtain special license plates or a card that entitles the person to various parking privileges. To obtain a special license plate or card, the person must submit a statement from one of various enumerated types of health care professionals certifying to the Department of Transportation (DOT) that the person has a disability that impairs or limits the ability to walk.

2023 Wisconsin Act 188 allows physical therapists to certify to DOT that a person has a disability that impairs or limits the ability to walk and is thus eligible for a disabled parking license plate or card.

Effective date: January 1, 2025
