2019 ASSEMBLY BILL 821

January 30, 2020 - Introduced by Representatives Tusler, Steineke and Petersen, cosponsored by Senators Cowles and Roth. Referred to Committee on Ways and Means.

AN ACT to create 66.1105 (17) (g) of the statutes; relating to: changing the 12 percent rule regarding the total value of taxable property included in the creation of, or amendment to, a tax incremental financing district in the village of Little Chute.

Analysis by the Legislative Reference Bureau

With regard to the village of Little Chute, this bill changes the rule that the equalized value of taxable property of a new or amended tax incremental district (TID) plus the value increment of all existing TIDs does not exceed 12 percent of the total equalized value of taxable property in the city or village. Under the bill, the 12 percent rule becomes a 15 percent rule for the village of Little Chute, with regard to the creation of TID Number 9 by the village. Upon the termination of that TID, the limit will return to 12 percent.

For further information see the $\it local$ fiscal estimate, which will be printed as an appendix to this bill.
