

2019 ASSEMBLY BILL 882

February 11, 2020 - Introduced by LAW REVISION COMMITTEE. Referred to Committee on Rules.

1 **AN ACT** *to repeal* 41.11 (5); and *to amend* 41.11 (1) (h) of the statutes; **relating**
2 **to:** the Department of Tourism's reporting duties and requirement to distribute
3 cheese (suggested as remedial legislation by the Department of Tourism).

Analysis by the Legislative Reference Bureau

This bill modifies the requirement imposed under current law that the Department of Tourism annually report on its activities to the Senate Natural Resources Committee and the Assembly Committee on Tourism. Under the bill, the department is directed to report to the appropriate standing committees of the legislature, rather than the specifically named committees.

The bill deletes the requirement imposed under current law that the department distribute donated cheese that is made in Wisconsin at tourist information centers. The department no longer operates tourist information centers.

For further information, see the NOTES provided by the Law Revision Committee of the Joint Legislative Council.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
