***Analysis by the Legislative Reference Bureau***

This bill allows the Department of Children and Families to certify a residential care center, group home, or shelter care facility to operate a qualified residential treatment program for children and youth (QRTP) if it determines that the program meets the federal requirements for such a program to receive Title IV-E child welfare funding and DCF's requirements for such a program. Under the bill, DCF is required to promulgate rules for the establishment, certification, and operation of a QRTP.
