1 **AN ACT** *to create* 146.98 and 440.10 of the statutes; **relating to:** right of health
2 care providers to express professional opinions related to health or medical
3 information or guidance.

Analysis by the Legislative Reference Bureau

This bill establishes a right of health care providers to express their professional opinions related to health or medical information or guidance, including any statements, policies, studies, publications, or orders. The bill prohibits any health care entity from retaliating against, discriminating against, or taking adverse action against a health care provider for expressing his or her professional opinions. Further, the bill prohibits any examining board or affiliated credentialing board in the Department of Safety and Professional Services from retaliating against, discriminating against, or taking adverse action against, or denying, suspending, limiting, or revoking a credential to, a health care provider for expressing his or her professional opinions.
