2023 ASSEMBLY BILL 1102

February 20, 2024 - Introduced by LAW REVISION COMMITTEE. Referred to Committee on Rules.

AN ACT *to amend* 280.15 (2m) (e), 280.15 (2m) (f) 1m. a. and 280.15 (2m) (f)

2m. a. of the statutes; **relating to:** administration of well drilling, heat exchange drilling, and pump installing examinations (suggested as remedial legislation by the Department of Natural Resources).

Analysis by the Legislative Reference Bureau

Current law requires applicants for a well drilling, heat exchange drilling, or pump installing license to pass an examination administered by the Department of Natural Resources. This bill clarifies that the examination may be administered by either DNR or a DNR representative.

For further information, see the NOTES provided by the Law Revision Committee of the Joint Legislative Council.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
