2023 ASSEMBLY BILL 575

October 30, 2023 - Introduced by Representatives GREEN, ARMSTRONG, MAGNAFICI, MURSAU, RETTINGER, STEFFEN and SUMMERFIELD, cosponsored by Senator JAMES. Referred to Committee on Education.

AN ACT *to renumber* 115.28 (63); and *to create* 115.28 (63) (bm), 118.40 (4)

(ar) 3. and 4. and 120.12 (24m) of the statutes; **relating to:** the mental health training program provided by the Department of Public Instruction.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Public Instruction must establish a mental health training program under which it provides training to school district and independent charter school staff on three specific evidence-based strategies related to addressing mental health issues in schools. The three specific evidence-based strategies are 1) The Screening, Brief Intervention, and Referral to Treatment program, 2) Trauma Sensitive Schools, and 3) Youth Mental Health First Aid. Under this bill, DPI must annually distribute information about this mental health training program to school boards, operators of independent charter schools, and the appropriate standing committees of the legislature. Additionally, under the bill, each school board and charter school governing board must develop a plan for addressing mental health issues that arise for school staff members and pupils. The plan must include information about DPI's mental health training program. Finally, the bill requires each school board and charter school governing board to annually distribute its mental health plan to all school staff.
