***Analysis by the Legislative Reference Bureau***

Under current law, the transfer amount under the full-time open enrollment program is adjusted annually. The annual adjustment is an amount equal to the sum of any per member revenue limit increase that applies to school districts in that school year and any per member increase in categorical aids between the current school year and the previous school year. Under current law, the transfer amount for the 2023-24 school year is \$8,618. Under the bill, the full-time open enrollment program transfer amount for the 2024-25 school year is \$10,000.

For further information see the local fiscal estimate, which will be printed as an appendix to this bill.
