Analysis by the Legislative Reference Bureau

Under current law, no person may operate a vehicle in any state park or in certain other recreational areas on state land unless the vehicle displays a vehicle admission receipt. This bill requires the Department of Natural Resources to waive the fee for an annual vehicle admission receipt issued to the parent or guardian of a child who possesses a valid Every Kid Outdoors pass issued by the U.S. National Park Service. Under current federal law, such a pass authorizes free admission to national parks for any 4th grader and his or her family.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
