Analysis by the Legislative Reference Bureau

Under this bill, \$172,000,000 is lapsed to the general fund from a federal program revenue appropriation to the Department of Administration on the date the bill becomes law. On May 9, 2025, the secretary of administration reported to the co-chairs of the Joint Legislative Audit Committee that, as of the end of April, the total interest earned on advanced coronavirus state and local fiscal recovery funds and credited to the federal program revenue appropriation was \$171,487,101.82.
