### ***Analysis by the Legislative Reference Bureau***

Under current law, a voter may vote by absentee ballot in person at the office of the municipal clerk or at an alternate site as near as practicable to the clerk's office, as designated by the municipality. The period for voting absentee in person begins 14 days preceding the election and ends on the Sunday preceding the election, and the municipality must state the hours in the type E election notice, which, with one exception, is required to be published on the fourth Tuesday preceding each primary or election.

Under this bill, the office of the municipal clerk or alternate site must be open for at least 20 hours during the period for voting absentee in person, and the type E notice must state the specific office hours during which a voter may cast an in-person absentee ballot without prior appointment.

For further information see the local fiscal estimate, which will be printed as an appendix to this bill.
