- 1     **AN ACT to amend** 93.23 (1) (e) of the statutes; **relating to:** a requirement for  
2     fair organizations that seek state aid.

***Analysis by the Legislative Reference Bureau***

Under current law, the Department of Agriculture, Trade and Consumer Protection provides state aid to counties, agricultural societies, associations, and boards that hold local fairs in order to cover the cost of prizes paid out to exhibitors, up to \$20,000 per fair. No later than 30 days after the close of the fair, an entity that seeks to claim this state aid must file with DATCP an itemized statement showing the net premiums actually paid at the preceding fair, and that statement must include a statement that gambling devices, the sale of intoxicating liquors, and exhibitions of immoral character were prohibited and excluded from the fairgrounds. This bill removes the requirement for the statement that gambling devices, the sale of intoxicating liquors, and the exhibitions of immoral character were prohibited and excluded from the fairgrounds.
