Analysis by the Legislative Reference Bureau

This bill makes a change, retroactive to January 1, 2025, to eligibility for a county forest administration grant.

Current law authorizes the Department of Natural Resources to make grants to counties that have lands designated as county forest to fund 50 percent of the salary and fringe benefits of a professional forester in the position of county forest administrator or assistant county forest administrator (county forest administration grant program). Under the bill, the grants may be used to fund 50 percent of the salary and fringe benefits of a county forest administrator.
