1     **AN ACT** *to create* 94.51 of the statutes; **relating to:** labeling plants as  
2           beneficial to pollinators.

---

### *Analysis by the Legislative Reference Bureau*

This bill prohibits a person that provides plants or that sells plants at retail from labeling or advertising the plant as being beneficial to pollinators if the plant has been treated with an insecticide that contains warnings about pollinator hazards on its label.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
