- 1 **AN ACT to amend** 951.18 (2m) of the statutes; **relating to:** injuring or killing a
2 police or fire animal and providing a penalty.

Analysis by the Legislative Reference Bureau

Under current law, no person may do any of the following to any animal that is used by a law enforcement agency or fire department to perform agency or department functions or duties: frighten, intimidate, threaten, abuse, or harass the animal; strike, shove, kick, or otherwise subject the animal to physical contact; or strike the animal by using a dangerous weapon. Under current law, any person who intentionally does any of those actions and causes injury to the animal is guilty of a Class I felony, and any person who intentionally does any of those actions and causes death of the animal is guilty of a Class H felony. Additionally, for such a violation, a sentencing court must require a criminal violator to pay restitution, including veterinary care expenses or the value of a replacement animal.

This bill increases the penalty for injuring such an animal to a Class H felony and the penalty for causing the death of such an animal to a Class G felony. A Class H felony is punishable by a fine of up to \$10,000 or imprisonment for up to six years, or both, and a Class G felony is punishable by a fine of up to \$25,000 or imprisonment for up to 10 years, or both.

Because this bill creates a new crime or revises a penalty for an existing crime,
