Good morning. I am the Dane County Corp. counsel. I understand that one of my assistants sent you a message some time ago containing HIS opinion regarding jury trials in TPR proceedings. Just to clarify, the email message did not represent the official position of this office. In fact, there is quite a variation of opinion among the attys here (as I assume is the case everywhere). If you have any questions, please feel free to call me at 266-4159.
