

WISCONSIN VOTING SYSTEMS BY COUNTY

[(#)= Total Municipalities in County]

[MS=Marksense, P=Paper, L=Lever, PC=Punch Card]

(##)## = The first number, in parenthesis, is the total number of municipalities in the county using the indicated type of equipment. The second number is the total number *less* the number of municipalities already counted in an alphabetically previous county as using the indicated voting equipment. **For example:** Dodge County has (44) municipalities using marksense. However, the Village of Randolph and the City of Columbus were already counted as marksense municipalities in Columbia County.
