

[December 11, 2006]

- Sen. Roger M. Breske,
  - >
  - > I am very concerned about the possible change in rules for use of
  - > state
  - > trails. The trails were wisely set aside for people to get out into
  - > natural areas to enjoy the scenery and tranquility. In the coming
  - > decades, as our population increases and we see more urban sprawl, we
  - > need more than ever to preserve our more open and natural areas.
  - > Allowing ATVs into these areas would dramatically change the character
  - > of the area. Safety would also be an issue. Wildlife would be
  - > negatively
  - > impacted. The ATV riders can find other areas that would not be as
  - > negatively impacted by their vehicles.
  - >
  - > Thank you.
