Miles of Non-Motorized Trails On Wisconsin's County Forests

Designated, Signed and Maintained Trails

X-Country Ski Trails	350 miles
Horse Trails	266 miles
Bike Trails	242 miles (includes over 25 miles of single track)
Hiking Trails	430 (including 140 miles of Ice Age Trail and 28 miles of North Country Trail)
Hunter Walking Trails	192 miles
Dogsled Trails	45
Snowshoe Trails	27
Canoe Portage Routes	2

Miles of Undesignated Trails Where Motorized Access is Controlled

Well over 5,000 miles of trail

In addition to the above - mentioned trails there are thousands of miles of trail on Wisconsin's 2.4 million acres of County Forest Land that are open for hiking, hunting, biking, snowshoeing and horseback riding in conjunction with some motorized recreational uses.

There are also at least 3 county forests that operate downhill ski areas with chalet facilities .

Note: figures do not include miles of trails in Sawyer County
