Analysis by the Legislative Reference Bureau

This bill is explained in the Notes provided by the Joint Legislative Council in the bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This bill was prepared for the Joint Legislative Council's Special Committee on Justice Reinvestment Initiative Oversight.

This bill creates the following biennial general purpose revenue (GPR) appropriations for the Department of Corrections (DOC) to provide the following:

- 1. Eight million dollars for mental health services for severely mentally ill persons who are on parole or extended supervision and are at high risk of reoffending.
- 2. Twelve million dollars for a transitional employment program for persons who are on parole or extended supervision, are unemployed, and are at high risk of reoffending.

Under 2009 Wisconsin Act 28, DOC is required, through community services, to reduce recidivism and to report annually to the governor, the legislature, and the courts

301.068 (1) The department shall establish community services that have the goals of increasing public safety, reducing the risk that offenders on community supervision will reoffend, and reducing by 25 percent between the fiscal years 2007–08 and 2010–11 the recidivism rate of persons who are on probation, parole, or extended supervision following a felony conviction. In establishing community services under this section, the department shall consider the capacity of existing services and any needs that are not met by existing services.

SECTION 5. 301.068 (6) of the statutes, as created by 2009 Wisconsin Act 28, is amended to read:

301.068 (6) The department shall annually submit a report to the governor, the chief clerk of each house of the legislature for distribution to the appropriate standing committees under s. 13.172 (3), and the director of state courts. The report shall set forth the scope of the community services established under sub. (1); the numbers of arrests of, convictions of, and prison sentences imposed on offenders receiving the community services under this section; and the progress toward the 25 percent recidivism reduction goal under sub. (1) and any adjustment that will be made to reach that goal.
