7 77.76 (3r), 77.76 (5) and 345.05 (1) (ag) of the statutes; **relating to:** the creation of
8 regional transit authorities, and making appropriations.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This substitute amendment allows most cities, towns, villages, and counties (political subdivisions) to create regional transit authorities (RTAs), which are public bodies corporate and politic. Generally, the governing bodies of two or more political subdivisions may join together (participating political subdivisions) to jointly create an RTA by adopting identical resolutions (authorizing resolutions). The substitute amendment also permits a county, under certain circumstances, to unilaterally create an RTA. The substitute amendment allows a county to prevent the creation or joining of an RTA by a municipality within the county if the county intends to create an RTA that will include the municipality in its jurisdictional area. The county may only prevent the municipality from creating or joining the RTA for 24 months following the county's denial of approval of the municipality's participation in the RTA.

If an RTA has already been formed, additional political subdivisions may join the RTA by adopting authorizing resolutions identical to the authorizing resolutions if all participating political subdivisions of the

RTA also adopt resolutions allowing the additional political subdivisions to join the RTA. Participating political subdivisions may generally amend or modify their authorizing resolutions, including to allow a new political subdivision to join the RTA, if, after any amendment or modification, the authorizing resolutions of all participating political subdivisions remain identical. Any RTA authorizing resolution must contain certain information, including all of the following:

1. The name of the RTA and a description or map of its jurisdictional area. "Jurisdictional area" is defined as the geographic area formed by the combined territorial boundaries of all participating political subdivisions except that for a county, it includes the portion of the county that is within the "county jurisdictional area". A county that is a participating political subdivision determines the county jurisdictional area as one of the following:

- a. The portion of the county that is within the combined territorial boundaries of each of the cities, villages, and towns in the county that are also participating political subdivisions of the RTA.

- b. The territorial boundaries of the county.

- c. The combined territorial boundaries of each of the cities, villages, and towns in the county with at least 75% of their populations residing within a metropolitan planning area at the time of designation by the county.

To designate a county jurisdictional area under b. or c. above, a county must receive the prior approval of: (1) each political subdivision within the proposed county jurisdictional area that is a participating political subdivision in an RTA; and (2) each political subdivision within the proposed county jurisdictional area that is the owner, operator, or controlling authority of a transit system that serves, on average, at least 10% of the passengers served by all transit systems in the county over the 3 years preceding creation of the RTA.

2. The purpose of the RTA and the functions or services to be provided by the RTA.

3. The powers, duties, and limitations of the RTA.

4. The establishment and organization of a board of directors, in which all powers of the RTA are vested, the voting requirements for action by the board of directors, and the duties of the board of directors.

5. The manner of selection, powers, and duties of the RTA's officers.

6. The method of financing the formation and operation of the RTA.

7. If authorized, the maximum rate of the sales and use tax, not exceeding the statutory limit, that may be imposed by the RTA. The resolution must also include or refer to a transit plan for the RTA and this authorized rate of the sales and use tax may not exceed the rate determined necessary under the transit plan.

8. A procedure by which a participating political subdivision may withdraw from the RTA and provisions for the disposition or distribution of any property, assets, and obligations of the RTA on withdrawal of a participating political subdivision from the RTA or on dissolution of the RTA.

The governing body of a political subdivision must approve by at least a majority vote the authorizing resolution creating or joining an RTA and, upon such approval, the governing body of the political subdivision may also require that the authorizing resolution be ratified by the electors at a referendum held in the political subdivision. Also, at least 30 days before approving an authorizing resolution, the governing body of a political subdivision must hold a public hearing on the resolution. Generally, a political subdivision may not participate in more than one RTA, whether created under this section or any other statute, except s. 59.58 (6) (a) 1., stats. However, a county may be a participating political subdivision in more than one authority created under this section.

An RTA may do all of the following:

1. Establish or acquire a comprehensive unified local transit system, which is a transit system comprised of bus lines and other public transit facilities generally within the jurisdictional area of the RTA. "Transit system" is defined to include land, structures, equipment, and other property for transit of passengers, including by bus, rail, or other form of mass transit. The RTA may operate this transit system or provide for its operation by another. The RTA may contract with a public or private organization to provide transit services in lieu of directly providing these services and may purchase and lease transit facilities to public or private transit companies.
2. Coordinate, provide, or assist in providing specialized transportation services for persons who are disabled or aged 60 or older.
3. Own or lease real or personal property.
4. Acquire property by condemnation.
5. Enter upon highways to install, maintain, and operate the RTA's facilities.

6. Impose, by the adoption of a resolution by the board of directors, a sales and use tax in the jurisdictional area of the RTA's participating political subdivisions at a rate of not more than 0.5 percent of the gross receipts or sales price or, if lower, not to exceed the maximum rate established by the authorizing resolution. This sales and use tax may be imposed in any city, town, or village within a county that is a participating political subdivision of an RTA or is within the "county jurisdictional area", as defined by the substitute amendment. The tax shall be uniform among the cities, villages, and towns that are within the same county.

7. Incur debts and obligations. An RTA may issue tax-exempt revenue bonds, secured by a pledge of any income or revenues from any operations or other source of moneys for the RTA. The bonds of an RTA are not a debt of its participating political subdivisions and neither the participating political subdivisions nor the state are liable for the payment of the bonds. Bond proceeds, except those derived from refunding bonds, may be used only for capital expenditures related to the acquisition of transit system equipment having a useful life of at least five years. The useful life limitation does not apply to expenditures made for the acquisition of all or part of an existing transit system.

8. Set fees and charges for functions, facilities, and services provided by the RTA.

9. Adopt bylaws and rules to carry out the powers and purposes of the RTA.

10. Sue and be sued in its own name.

11. Employ agents, consultants, and employees, engage professional services, and purchase furniture, supplies, and materials reasonably necessary to perform its duties and exercise its powers.

12. Invest funds not required for immediate disbursement.

13. Do and perform any authorized acts by means of an agent or by contracts with any person.

14. Exercise any other powers that the board of directors considers necessary and convenient to effectuate the purposes of the RTA, including providing for passenger safety.

The board of directors of an RTA must annually prepare a budget for the RTA. Rates and other charges received by the RTA must be used only for the general expenses and capital expenditures of the RTA, to pay interest, amortization, and retirement charges on the RTA's revenue bonds, and for specific purposes of the RTA and may not be transferred to any

political subdivision. The RTA must maintain an accounting system in accordance with generally accepted accounting principles and must have its financial statements and debt covenants audited annually by an independent certified public accountant. For purposes of subch. III of ch. 19, stats., the board of directors of an RTA are considered local public officials, and as such are subject to the code of ethics for local public officials.

An RTA that acquires a transit system must assume all of the employer's obligations under any contract between the employees and management of the system to the extent allowed by law. An RTA that acquires, constructs, operates, or contracts for the operation of a transit system must negotiate an agreement with the representative of the labor organization that covers the employees affected by the acquisition, construction, or operation to protect the interests of employees affected, and that agreement must include specified provisions. Employees of the RTA are participatory employees under the Wisconsin Retirement System (WRS) if the RTA elects to join the WRS.

A participating political subdivision may withdraw from an RTA if: (1) the governing body of the political subdivision adopts a resolution requesting withdrawal from the RTA; (2) the political subdivision has paid, or made provision for the payment of, all obligations of the political subdivision to the RTA; and (3) any authorized sales and use tax that is levied by the RTA within the political subdivision continues to be levied for the period of time for which the tax is authorized. Unless otherwise agreed upon, if a political subdivision withdraws from an RTA, the political subdivision continues to receive services from the RTA for so long as the sales and use tax continues to be levied in the political subdivision.

An RTA may be dissolved if a majority of the participating political subdivisions adopt resolutions recommending the dissolution of the RTA. Dissolution of an RTA may not occur until adequate provision has been made for payment of the RTA's outstanding indebtedness, including outstanding revenue bonds. Dissolution of an RTA, and withdrawal of a political subdivision from an RTA, is subject to provisions of the authorizing resolutions relating to, respectively, dissolution or withdrawal.

Current law provides limited immunity for cities, villages, towns, counties, and other political corporations and governmental subdivisions, and for officers, officials, agents, and employees of these entities, for acts done in an official capacity or in the course of employment. Claimants must generally follow a specified claims procedure and liability for damages is generally limited to \$50,000 except that no

liability may be imposed for performance of a discretionary duty or for punitive damages. If a person suffers damage resulting from the negligent operation of a motor vehicle owned and operated by a county, city, village, town, school district, sewer district, or other political subdivision of the state in the course of its business, the person may file a claim for damages following this claims procedure and the amount of damages recoverable is limited to \$250,000. This substitute amendment specifies that this provision related to claims and liability for negligent operation of a motor vehicle by a political subdivision applies to an RTA.

The substitute amendment also allows RTAs to participate in organizing municipal insurance mutuals to provide insurance and risk management services.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.

7 rate specified in s. 77.708 (1). The rate of the taxes that may be imposed by the authority under
8 sub. (3) (s) shall be uniform among all cities, villages, and towns within the authority's
9 jurisdictional area that are within the same county. For purposes of this subdivision, an
10 authority may declare a participating political subdivision with territory in the jurisdictional
11 area of the authority and in more than one county to be wholly within one of those counties.
12 The resolution shall also include a transit plan, or reference a transit plan set forth in detail

16 11. Subject to sub. (12), a procedure by which a participating political subdivision may
17 withdraw from the authority and provisions for the disposition, division, or distribution of any
18 property, assets, and obligations of the authority on withdrawal of a participating political
19 subdivision or on dissolution of the authority.

20 (d) Subject to par. (e), a resolution under pars. (a) and (b) shall be approved by at least
21 a majority vote of the members of the governing body of the political subdivision. The
22 governing body of the political subdivision may also require that the resolution be ratified by
23 the electors at a referendum held in the area of the political subdivision that would be within
24 the jurisdictional area of the authority under the resolution.

1 (e) At least 30 days before approving a resolution under par. (a) or (b), the governing
2 body of a political subdivision shall hold a public hearing on the resolution. Notice of the

10 one authority under this section.

11 3. No portion of a city, village, or town may be included in the jurisdictional area of more
12 than one authority.

13 (g) If an authority created under par. (a) includes as a participating political subdivision
14 a county that has designated a county jurisdictional area under sub. (2m) (a) 1., the authority
15 shall also include at least one municipality within that county.

16 (h) If an authority has been created under this subsection, the participating political
17 subdivisions of the authority may amend or modify their original resolutions creating or
18 joining the authority if, after any amendment or modification, the resolutions of all
19 participating political subdivisions of the authority remain identical and continue to satisfy the
20 requirements under this section for the creation of an authority, except the requirement under
21 par. (e). Any such amendment or modification of the original resolutions creating or joining
22 the authority does not create a new authority unless specifically provided otherwise in the
23 amendment or modification, even if the amendment or modification is undertaken for the
24 purpose of including additional participating political subdivisions in the authority.

1 (i) 1. Subject to subd. 2., an identical resolution under pars. (a) or (b) that is approved
2 by a municipality under par. (d) is not effective unless approved by the county which contains
3 the geographical area of the municipality to be included in the authority. For a county to
4 withhold its approval under this paragraph, the county must determine that it intends to create
5 an authority that will include the municipality in the authority's jurisdictional area.

6 2. An identical resolution that is not approved by a county under subd. 1. may go into
7 effect, without county approval, if all of the geographical area of the municipality that is within
8 the county that withheld approval is not included within the jurisdictional area of an authority
9 within 24 months after the county first withheld its approval of the resolution.

10 (j) A county that has designated a county jurisdictional area under sub. (2m) (a) 2. or
11 3. may create an authority without joining together with one or more other political
12 subdivisions to create the authority.

13 **(2m)** (a) Subject to par. (c), a county that is a participating political subdivision in an
14 authority must designate, by resolution, the county jurisdictional area of the authority. The
15 county jurisdictional area shall be one of the following:

16 1. The portion of the county that is within the combined territorial boundaries of each
17 of the cities, villages, and towns in the county that are also participating political subdivisions
18 of the authority.

19 2. The territorial boundaries of the county.

20 3. The combined territorial boundaries of each of the cities, villages, and towns in the
21 county with at least 75% of their populations residing within a metropolitan planning area, as
22 defined in 23 USC 134 (B) (1), at the time of designation by the county.

1 (b) Under par. (a) 3., counties which contain all or a part of more than one metropolitan
2 planning area may designate a county jurisdictional area for one or more of the metropolitan
3 planning areas for inclusion in the same authority or different authorities.

4 (c) A county may not designate a county jurisdictional area under par. (a) 2. or 3. without
5 prior approval, by resolution, by each city, village, or town wholly or partially within the
6 proposed county jurisdictional area that is any of the following:

7 1. The owner, operator, or controlling authority of a transit system that serves at least
8 10% of the passengers, as expressed in unlinked trips, served by all transit systems in the
9 county on average over the 3 years preceding creation of the RTA, as determined by the
10 department of transportation.

11 2. A participating political subdivision in an authority.

12 (3) POWERS. Notwithstanding s. 59.84 (2) and any other provision of this chapter or ch.

15 primarily for the transportation of persons.

16 (b) Acquire a comprehensive unified local transit system by purchase, condemnation
17 under s. 32.05, or otherwise and provide funds for the operation and maintenance of the
18 system. Upon the acquisition of a comprehensive unified local transit system, the authority
19 may:

20 1. Operate and maintain it or lease it to an operator or contract for its use by an operator.

8 (d) Purchase and lease transit facilities to public or private transit companies that
9 operate within and outside the jurisdictional area.

10 (e) Apply for federal or other aids to purchase transit facilities or operate a transit
11 system.

15 5001, and 42 USC 5011 (b), under ss. 49.43 to 49.499 and 85.21, and under other public funds
16 administered by the county. An authority may contract with a county that is a participating
17 political subdivision for the authority to provide specialized transportation services, but an
18 authority is not an eligible applicant under s. 85.21 (2) (e) and may not receive payments
19 directly from the department of transportation under s. 85.21.

20 (g) Acquire, own, hold, use, lease as lessor or lessee, sell or otherwise dispose of,
21 mortgage, pledge, or grant a security interest in any real or personal property or service.

3 Whenever the work is to be done in a state, county, or municipal highway, street, road, or alley,
4 the public authority having control thereof shall be duly notified, and the highway, street, road,
5 or alley shall be restored to as good a condition as existed before the commencement of the
6 work with all costs incident to the work to be borne by the authority.

7 (j) Fix, maintain, and revise fees, rates, rents, and charges for functions, facilities, and

16 (o) Incur debts, liabilities, or obligations including the borrowing of money and the
17 issuance of bonds under subs. (6) and (9).

18 (p) Invest any funds held in reserve or sinking funds, or any funds not required for
19 immediate disbursement, including the proceeds from the sale of any bonds, in such
20 obligations, securities, and other investments as the authority deems proper in accordance
21 with s. 66.0603 (1m).

22 (q) Do and perform any acts and things authorized by this section under, through, or by

6 authority with a county that is a participating political subdivision, the taxes authorized under
7 this paragraph may not be imposed in any municipality within the county that is not a
8 participating political subdivision of the authority or within the designated county
9 jurisdictional area. If an authority adopts a resolution to impose the taxes, it shall deliver a
10 certified copy of the resolution to the department of revenue at least 120 days before its
11 effective date. The authority may, by adoption of a resolution by the board of directors, repeal
12 the imposition of taxes under subch. V of ch. 77 and shall deliver a certified copy of the repeal
13 resolution to the department of revenue at least 120 days before its effective date.

14 **(4) LIMITATIONS ON AUTHORITY POWERS.** (a) Whenever the proposed operations of an
15 authority would be competitive with the operations of a common carrier in existence prior to
16 the time the authority commences operations, the authority shall coordinate proposed
17 operations with the common carrier to eliminate adverse financial impact for the carrier. This
18 coordination may include route overlapping, transfers, transfer points, schedule coordination,
19 joint use of facilities, lease of route service, and acquisition of route and corollary equipment.
20 If this coordination does not result in mutual agreement, the proposals of the authority and the
21 common carrier shall be submitted to the department of transportation for arbitration.

22 (b) In exercising its powers under sub. (3), an authority shall consider any plan of a
23 metropolitan planning organization under 23 USC 134 that covers any portion of the
24 authority's jurisdictional area.

1 **(5) AUTHORITY OBLIGATIONS TO EMPLOYEES OF MASS TRANSIT SYSTEMS.** (a) An authority
2 acquiring a comprehensive unified local transit system shall assume all of the employer's
3 obligations under any contract between the employees and management of the system to the
4 extent allowed by law.

5 (b) An authority acquiring, constructing, controlling, operating, or contracting for the
6 superintendence of or operation of a comprehensive unified local transit system shall
7 negotiate an agreement with the representative of the labor organization, notwithstanding s.
8 111.70 (2), (3), and (6), that covers the employees affected by the acquisition, construction,
9 control, or operation to protect the interests of employees affected. This agreement shall
10 include all of the provisions identified in s. 59.58 (4) (b) 1. to 8. and may include provisions
11 identified in s. 59.58 (4) (c). An affected employee has all the rights and the same status under
12 subch. IV of ch. 111 that he or she enjoyed immediately before the acquisition, construction,
13 control, or operation and may not be required to serve a probationary period if he or she
14 attained permanent status before the acquisition, construction, control, or operation.

15 (c) In all negotiations under this subsection, a senior executive officer of the authority
16 shall be a member of the authority's negotiating body.

17 **(6) BONDS; GENERALLY.** (a) An authority may issue bonds, the principal and interest on
18 which are payable exclusively from all or a portion of any revenues received by the authority.
19 The authority may secure its bonds by a pledge of any income or revenues from any
20 operations, rent, aids, grants, subsidies, contributions, or other source of moneys whatsoever.

21 (b) An authority may issue bonds in such principal amounts as the authority deems
22 necessary.

1 (c) Except with respect to refunding bonds under sub. (9), bond proceeds may be used
2 only for capital expenditures related to the acquisition of transit system equipment having a
3 useful life of at least 5 years.

4 (d) Paragraph (c) does not apply to expenditures made for the acquisition of all or part
5 of an existing transit system.

6 (e) 1. Neither the members of the board of directors of an authority nor any person
7 executing the bonds is personally liable on the bonds by reason of the issuance of the bonds.

8 2. The bonds of an authority are not a debt of the participating political subdivisions.
9 Neither the participating political subdivisions nor the state are liable for the payment of the
10 bonds. The bonds of any authority shall be payable only out of funds or properties of the
11 authority. The bonds of the authority shall state the restrictions contained in this paragraph
12 on the face of the bonds.

13 **(7) ISSUANCE OF BONDS.** (a) Bonds of an authority shall be authorized by resolution of
14 the board of directors. The bonds may be issued under such a resolution or under a trust
15 indenture or other security instrument. The bonds may be issued in one or more series and
16 may be in the form of coupon bonds or registered bonds under s. 67.09. The bonds shall bear
17 the dates, mature at the times, bear interest at the rates, be in the denominations, have the rank
18 or priority, be executed in the manner, be payable in the medium of payment, at the places, and
19 be subject to the terms of redemption, with or without premium, as the resolution, trust
20 indenture, or other security instrument provides. Bonds of an authority are issued for an
21 essential public and governmental purpose and are public instrumentalities and, together with
22 interest and income, are exempt from taxes.

23 (b) The authority may sell the bonds at public or private sales at the price or prices
24 determined by the authority.

1 (c) If an officer whose signatures appear on any bonds or coupons ceases to be an officer
2 of the authority before the delivery of such obligations, the officer's signature shall,
3 nevertheless, be valid for all purposes as if the officer had remained in office until delivery
4 of the bonds.

5 (8) COVENANTS. An authority may do all of the following in connection with the
6 issuance of bonds:

7 (a) Covenant as to the use of any or all of its property, real or personal.

8 (b) Redeem the bonds, or covenant for the redemption of the bonds, and provide the
9 terms and conditions of the redemption.

10 (c) Covenant as to charge fees, rates, rents, and charges sufficient to meet operating and
11 maintenance expenses, renewals, and replacements of any transit system, principal and debt
12 service on bonds, creation and maintenance of any reserves required by a bond resolution, trust
13 indenture, or other security instrument and to provide for any margins or coverages over and
14 above debt service on the bonds that the board of directors considers desirable for the
15 marketability of the bonds.

16 (d) Covenant as to the events of default on the bonds and the terms and conditions upon
17 which the bonds shall become or may be declared due before maturity, as to the terms and
18 conditions upon which this declaration and its consequences may be waived, and as to the
19 consequences of default and the remedies of bondholders.

20 (e) Covenant as to the mortgage or pledge of, or the grant of a security interest in, any
21 real or personal property and all or any part of the revenues of the authority to secure the
22 payment of bonds, subject to any agreements with the bondholders.

1 (f) Covenant as to the custody, collection, securing, investment, and payment of any
2 revenues, assets, moneys, funds, or property with respect to which the authority may have any
3 rights or interest.

4 (g) Subject to sub. (6) (b), covenant as to the purposes to which the proceeds from the
5 sale of any bonds may be applied, and as to the pledge of such proceeds to secure the payment
6 of the bonds.

7 (h) Covenant as to limitations on the issuance of any additional bonds, the terms upon
8 which additional bonds may be issued and secured, and the refunding of outstanding bonds.

9 (i) Covenant as to the rank or priority of any bonds with respect to any lien or security.

10 (j) Covenant as to the procedure by which the terms of any contract with or for the
11 benefit of the holders of bonds may be amended or abrogated, the amount of bonds, the holders
12 of which must consent thereto, and the manner in which such consent may be given.

13 (k) Covenant as to the custody and safekeeping of any of its properties or investments,
14 the insurance to be carried on the property or investments and the use and disposition of
15 insurance proceeds.

16 (L) Covenant as to the vesting in one or more trustees, within or outside the state, of
17 those properties, rights, powers, and duties in trust as the authority determines.

18 (m) Covenant as to the appointing of, and providing for the duties and obligations of,
19 one or more paying agent or other fiduciaries within or outside the state.

20 (n) Make all other covenants and do any act that may be necessary or convenient or
21 desirable in order to secure its bonds, or in the absolute discretion of the authority, tend to make
22 the bonds more marketable.

23 (o) Execute all instruments necessary or convenient in the exercise of the powers
24 granted under this section or in the performance of covenants or duties, which may contain

1 such covenants and provisions, as a purchaser of the bonds of the authority may reasonably
2 require.

3 (9) REFUNDING BONDS. An authority may issue refunding bonds for the purpose of
4 paying any of its bonds at or prior to maturity or upon acceleration or redemption. An authority
5 may issue refunding bonds at such time prior to the maturity or redemption of the refunded
6 bonds as the authority deems to be in the public interest. The refunding bonds may be issued
7 in sufficient amounts to pay or provide the principal of the bonds being refunded, together with
8 any redemption premium on the bonds, any interest accrued or to accrue to the date of payment
9 of the bonds, the expenses of issue of the refunding bonds, the expenses of redeeming the
10 bonds being refunded, and such reserves for debt service or other capital or current expenses
11 from the proceeds of such refunding bonds as may be required by the resolution, trust
12 indenture, or other security instruments. To the extent applicable, refunding bonds are subject
13 to subs. (7) and (8).

14 (10) BONDS ELIGIBLE FOR INVESTMENT. (a) Any of the following may invest funds,
15 including capital in their control or belonging to them, in bonds of the authority:

- 16 1. Public officers and agencies of the state.
- 17 2. Political subdivisions.
- 18 3. Insurance companies.
- 19 4. Trust companies.
- 20 5. Banks.
- 21 6. Savings banks.
- 22 7. Savings and loan associations.
- 23 8. Investment companies.
- 24 9. Personal representatives.

1 10. Trustees.

2 11. Other fiduciaries not listed in this paragraph.

3 (b) The authority's bonds are securities that may be deposited with and received by any
4 officer or agency of the state or any political subdivision for any purpose for which the deposit
5 of bonds or obligations of the state or any political subdivision is authorized by law.

6 **(11) BUDGETS; RATES AND CHARGES; AUDIT.** The board of directors of an authority shall
7 annually prepare a budget for the authority. Rates and other charges received by the authority
8 shall be used only for the general expenses and capital expenditures of the authority, to pay
9 interest, amortization, and retirement charges on bonds, and for specific purposes of the
10 authority and may not be transferred to any political subdivision. The authority shall maintain
11 an accounting system in accordance with generally accepted accounting principles and shall
12 have its financial statements and debt covenants audited annually by an independent certified
13 public accountant.

14 **(12) WITHDRAWAL FROM AUTHORITY.** (a) A participating political subdivision may
15 withdraw from an authority if all of the following conditions are met:

16 1. The governing body of the political subdivision adopts a resolution by a majority vote
17 of the members of the governing body requesting withdrawal of the political subdivision from
18 the authority.

19 2. The political subdivision has paid, or made provision for the payment of, all
20 obligations of the political subdivision to the authority, including its obligations relative to any
21 outstanding bonds issued by the authority.

22 3. Any tax authorized under sub. (3) (s) that is levied by the authority within the political
23 subdivision continues to be levied for the period of time for which the authority has authorized
24 the tax in a resolution imposing the tax under sub. (3) (s) if such a resolution specifies a time

1 period for the tax or until the effective date of a tax repeal resolution under sub. (3) (s),
2 whichever occurs first.

3 (b) Unless an earlier date for the termination of the provision of transit services has been
4 agreed upon by the withdrawing political subdivision and the authority, if a political
5 subdivision has withdrawn from an authority as provided in par. (a), the political subdivision
6 shall continue to receive services from the authority, in the same manner and to the same extent
7 as those provided to the remaining participating political subdivisions, for so long as the tax
8 continues to be levied as provided in par. (a) 3. Nothing in this paragraph prohibits a regional
9 transit authority from changing the manner and extent to which it provides services, including
10 in the withdrawing political subdivision, as long as the services provided in the withdrawing
11 political subdivision remain comparable to those provided in the remaining political
12 subdivisions while the tax continues to be levied in the withdrawing political subdivision. The
13 remaining political subdivisions may choose to increase the tax under sub. (3) (s) and are not
14 required to extend the additional services provided by such additional tax to the withdrawing
15 political subdivision if the additional tax is not also collected in the withdrawing political
16 subdivision.

17 (c) If a political subdivision has withdrawn from an authority as provided in par. (a),
18 the articles of incorporation of the authority shall be amended to reflect the withdrawal of the
19 political subdivision and this amendment shall be filed and published, in the same manner as
20 a resolution, by the withdrawing political subdivision and each participating political
21 subdivision.

22 (d) Withdrawal of a political subdivision from an authority is subject to the resolution
23 provisions specified in sub. (2) (c) 11.

1 **(13) DISSOLUTION OF AUTHORITY.** An authority may be dissolved if the governing bodies
2 of a majority of the participating political subdivisions adopt resolutions, by a majority vote
3 of the members of each governing body, recommending the dissolution of the authority.
4 Dissolution of an authority is subject to the resolution provisions specified in sub. (2) (c) 11.
5 Dissolution of an authority may not occur until all outstanding indebtedness of the authority
6 has been paid and all unexpended funds returned to the participating political subdivisions that
7 supplied them, or until adequate provision has been made for the outstanding indebtedness or
8 unexpended funds. An authority may not be dissolved so long as it has bonds outstanding,
9 unless provision for full payment of such bonds, by escrow or otherwise, has been made
10 pursuant to the terms of the bonds or the resolution, trust indenture, or security instrument
11 securing the bonds. The authority shall notify the department of revenue of the authority's
12 dissolution at least 120 days before the dissolution's effective date.

13 **(14) OTHER STATUTES.** This section does not limit the powers of political subdivisions
14 to enter into intergovernmental cooperation or contracts or to establish separate legal entities
15 under s. 66.0301 or 66.1021 or any other applicable law, or otherwise to carry out their powers
16 under applicable statutory provisions. Section 66.0803 (2) does not apply to an authority.
