Special Committee on Reporting of Child Abuse
And Child Neglect
State Capitol, Room 19 South
Madison, WI 53707

Dear Senator Darling:

I am sending this letter to express my support for the legislative proposals that were recommended by the Legislative Council Special Committee on Reporting of Child Abuse and Child Neglect at its meeting on December 4, 2012. I was pleased to see that all of the bills passed with unanimous or nearly unanimous support of the members present. I would like to note for the record that I would have voted in favor of each of the measures adopted.

I would also like to express my gratitude for the dedication that members of this committee have demonstrated. The time and effort the public members have committed to helping update Wisconsin's child abuse and child neglect reporting laws is truly commendable. I look forward to working with you and our legislative colleagues to advance these legislative proposals during the upcoming session.

Sincerely,

Jennifer K. Shilling
State Senator
32nd Senate District
