

State of Wisconsin
2017 - 2018 LEGISLATURE

LRB-4998/P2

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

1 **AN ACT to amend** 119.04 (1) of the statutes; **relating to:** tuberculosis screening
2 (suggested as remedial legislation by the Department of Public Instruction).

Analysis by the Legislative Reference Bureau

This bill adds a missing cross-reference to make the changes to the tuberculosis screening requirements under 2017 Wisconsin Act 107 applicable to the Milwaukee Public Schools.

Act 107 requires a school district to, with limited exceptions, condition employment in the school district on the completion of a physical examination that includes a screening questionnaire for tuberculosis. Prior to Act 107, the physical examination requirements, including tuberculosis screening requirements, applied to all school districts except MPS. Act 107 eliminated the language exempting MPS, but did not insert a cross-reference to the statutory provision that makes general school laws applicable to a first class city school district.

For further information, see the NOTES provided by the Law Revision Committee of the Joint Legislative Council.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

LAW REVISION COMMITTEE PREFATORY NOTE: This bill is a remedial legislation proposal, requested by the Department of Public Instruction and introduced by the Law Revision Committee under s. 13.83 (1) (c) 4. and 5., stats. After careful consideration of the various provisions of the bill, the Law Revision Committee has determined that this

bill makes minor substantive changes in the statutes, and that these changes are desirable as a matter of public policy.
